Item 1.01 Entry into a Definitive Material Agreement

On November 29, 2018, RBB Bancorp (the “Company”) entered into a Subordinated Note Purchase Agreement (the “Purchase Agreement”) with certain qualified institutional buyers and accredited investors (the “Purchasers”) pursuant to which the Company sold and issued \$55.0 million in aggregate principal amount of 6.18% Fixed-to-Floating Rate Subordinated Notes due December 1, 2028 (the “Notes”). The Notes were offered and sold by the Company to eligible purchasers in a private offering in reliance on the exemption from the registration requirements of Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”) and the provisions of Regulation D promulgated thereunder (the “Private Placement”). The Company intends to use the net proceeds of the offering, which are anticipated to be \$53.4 million after deducting estimated expenses, for general corporate purposes, including providing capital to the Company’s wholly-owned subsidiary, Royal Business Bank, and maintaining adequate liquidity at the Company.

The Notes have a ten-year term and, from and including the date of issuance but excluding December 1, 2023, will bear interest at a fixed annual rate of 6.18%, payable semi-annually, for the first five years of the term (the “Fixed Interest Rate Period”). From and including December 1, 2023 through but excluding the maturity date or earlier redemption date, the interest rate will adjust to a floating rate equal to LIBOR for the applicable interest period plus 315 basis points (the “Floating Interest Rate Period”) payable quarterly. The Notes are redeemable, in whole or in part, on or after December 1, 2023 and at any time upon the occurrence of certain events. The Purchase Agreement contains certain customary representations, warranties and covenants made by the Company, on the one hand, and the Purchasers, severally and not jointly, on the other hand.

On November 29, 2018, in connection with the sale and issuance of the Notes, the Company entered into a Registration Rights Agreement (the “Registration Rights Agreement”) with the Purchasers. Under the terms of the Registration Rights Agreement, the Company has agreed to take certain actions to provide for the exchange of the Notes for subordinated notes that are registered under the Securities Act and have substantially the same terms as the Notes (the “Exchange Notes”). Under certain circumstances, if the Company fails to meet its obligations under the Registration Rights Agreement, it would be required to pay additional interest to the holders of the Notes.

The Notes were issued under an Indenture, dated November 29, 2018 (the “Indenture”), by and between the Company and UMB Bank, N.A., as trustee. The Notes are not subject to any sinking fund and are not convertible into or, other than with respect to the Exchange Notes, exchangeable for any other securities or assets of the Company or any of its subsidiaries. The Notes are not subject to redemption at the option of the holder. The Notes are unsecured, subordinated obligations of the Company only and are not obligations of, and are not guaranteed by, any subsidiary of the Company. The Notes rank junior in right to payment to the Company’s current and future senior indebtedness. The Notes are intended to qualify as Tier 2 capital for regulatory capital purposes for the Company.

The form of Purchase Agreement, form of Registration Rights Agreement, Indenture and form of Note are attached as Exhibits 10.1, 10.2, 4.1 and 4.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference. The foregoing descriptions of the Purchase Agreement, Registration Rights Agreement, Indenture and Notes are summaries and are qualified in their entirety by reference to the relevant Exhibits to this Current Report on Form 8-K.

Notwithstanding the foregoing: if at any time while any Subordinated Notes are outstanding, the calculation agent determines on the applicable LIBOR Determination Date (as defined below) that LIBOR has been discontinued, then the calculation agent will use, following consultation with the Company, for each LIBOR Determination Date, the substitute or successor reference rate for LIBOR that has been selected by a central bank, reserve bank, monetary authority or any similar institution (including any committee or working group thereof) and whose use is consistent with then-accepted market practice for debt obligations such as the Subordinated Notes (the “Alternative Rate”) and may, after consultation with the Company, determine what business day convention to use, the definition of business day, the reference rate determination date to be used and any other relevant methodology for calculating such substitute or successor reference rate, including any adjustment factor needed to make such Alternative Rate comparable to the LIBOR in a manner that is consistent with industry-accepted practices for the use of such Alternative Rate for debt obligations such as the Subordinated Notes. However, if the calculation agent determines,

following consultation with the Company and the holders of the Subordinated Notes, that there is no clear market consensus as to whether any rate has replaced LIBOR in customary market usage, the Company will use reasonable endeavors to appoint in its sole discretion an independent financial advisor to determine an appropriate substitute reference rate, and the decision of the independent financial advisor will be binding on the Company, the calculation agent and the holders of the Subordinated Notes. If the Company is unable to appoint an independent financial advisor, or the independent financial advisor appointed by it fails to determine an appropriate substitute reference rate, then the Company (in consultation with the calculation agent and the holders of the Subordinated Notes to the extent practicable) may determine in good faith a substitute reference rate for purposes of determining the rate of interest for the applicable Interest Period; provided, however, that if the Company is unable or unwilling to determine a substitute reference rate prior to a LIBOR Determination Date in accordance with the immediately preceding clause, the rate of interest will be equal to the rate of interest in effect with respect to the immediately preceding LIBOR Determination Date or, in the case of the initial LIBOR Determination Date, the rate of interest will be equal to 6.180%; provided further, however, that if the Company is notified by Holders of a majority of the Subordinated Notes within five (5) business days after the receipt by all Holders of notice of such Alternative Rate selection that such Holders reasonably believe that such Alternative Rate is not consistent with the successor for LIBOR, including any spread adjustments, generally used in quarterly pay floating rate obligations, then the Alternative Rate shall be the rate selected by the Holders of majority of the Subordinated Notes, each using their commercially reasonable judgment in identifying an alternative rate that is consistent with the successor for LIBOR, including any spread adjustments, generally used in quarterly pay floating rate obligations. In the event the Holders of a majority of the Subordinated Notes cannot reach agreement on such Alternative Rate within fifteen (15) business days of the Company's notification of its proposed Alternative Rate under this Section, the Alternative Rate shall be the rate identified by the Holder of the largest principal amount of Subordinated Notes, selected based on such Holder's commercially reasonable judgment as to the an alternative rate that is consistent with the successor for LIBOR, including any spread adjustments, generally used in quarterly pay floating rate obligations. The Company will appoint an independent calculation agent for the Subordinated Notes prior to the commencement of the floating interest rate period; provided, however, the holders of a majority in principal amount of the then Outstanding Subordinated Notes may replace the calculation agent. Such instrument or instruments and any such record (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent, or of the holding by any Person of a Subordinated Note, will be sufficient for any purpose of this Indenture and (subject to Section 5.01) conclusive in favor of the Trustee and the Company and any agent of the Trustee or the Company, if made in the manner provided in this Section.

(2) The fact and date of the execution by any Person of any such instrument or writing may be proved in any reasonable manner that the Trustee deems sufficient and in accordance with such reasonable rules as the Trustee may determine, and the Trustee may in any instance require further proof with respect to any of the matters referred to in this Section.

(3) The ownership, principal amount and serial numbers of Subordinated Notes held by any Person, and the date of the commencement and the date of the termination of holding the same, will be proved by the Subordinated Note Register.

Unless otherwise specified, if not set by the Company prior to the first solicitation of a Holder made by any Person in respect of any such action, any such record date will be the later of 30 days prior to the first solicitation of such consent or the date of the most recent list of Holders furnished to the Trustee prior to such solicitation. If a record date is fixed, the Holders on such record date, and only such Persons, will be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such Holders remain Holders after such record date. No such request, demand, authorization, direction, notice, consent, waiver or other action will be valid or effective if made, given or taken more than 90 days after such record date.

(5) Any effective request, demand, authorization, direction, notice, consent, waiver or other Act by the Holder of any Subordinated Note will bind every future Holder of the same Subordinated Note and the Holder of every Subordinated Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done or suffered to be done by the Trustee, any Registrar, any Paying Agent or the Company in reliance thereon, whether or not notation of such Act is made upon such Subordinated Note.

(6) Without limiting the foregoing, a Holder entitled to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents, each of which may do so in accordance with such appointment with regard to all or any part of such principal amount. Any notice given or action taken by a Holder or its agents with regard to different parts of such principal amount in accordance with this paragraph will have the same effect as if given or taken by separate Holders of each such different part.

(7) Without limiting the generality of this Section 1.04, a Holder, including a Depositary that is a Holder of a Global Subordinated Note, may make, give or take, by a proxy or proxies, duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other Act provided in or under this Indenture or the Subordinated Notes to be made, given or taken by Holders, and a Depositary that is a Holder of a Global Subordinated Note may provide its proxy or proxies to the beneficial owners of interests in any such Global Subordinated Note through such Depositary's Applicable Procedures. The Company may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in any Global Subordinated Note entitled under the Applicable Procedures of such Depositary to make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders. If such a record date is fixed, the Holders on such record date or their duly appointed proxy or proxies, and only such Persons, will be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such Holders remain Holders after such record date. No such request, demand, authorization, direction, notice, consent, waiver or other action will be valid or effective if made, given or taken more than 90 days after such record date.

Promptly upon any record date being set in accordance with this Section 1.04, the Company, at its own expense, will cause notice of the record date, the proposed action by Holders and the expiration date to be given to the Trustee in writing and the Holders in the manner set forth in Section 1.05.

Any notice or communication by the Company or the Trustee to the other is duly given if in writing and delivered in Person or delivered by registered or certified mail (return receipt requested), facsimile or overnight air courier guaranteeing next day delivery, to the other's address:

If to the Company;

RBB Bancorp
7025 Orangethorpe Ave.
Buena Park, CA 90621
Attention: Chief Financial Officer
Facsimile: (714) 670-2419

If to the Trustee:

UMB Bank, N.A.
5555 San Felipe, Suite 870
Houston, Texas 77056
Attention: Mauri Cowen, Senior Vice President
Facsimile No.: (713) 300-0590

The Company or the Trustee by notice to the other may designate additional or different addresses for subsequent notices or communications.

All notices and communications will be deemed to have been duly given: at the time delivered by hand, if personally delivered; five Business Days after being deposited in the mail, postage prepaid, if delivered by mail; on the first Business Day after being sent, if sent by facsimile and the sender receives confirmation of successful transmission; and the next Business Day after timely delivery to the courier, if sent by overnight air courier guaranteeing next day delivery.

Any notice required or permitted to be given to a Holder under the provisions of this Indenture will be deemed to be properly delivered by being deposited postage prepaid in a post office letter box in the United States addressed to such Holder at the address of such Holder as shown on the Subordinated Note Register. Any report in accordance with Section 313 of the Trust Indenture Act will be transmitted in compliance with subsection (c) therein. If the Company delivers a notice or communication to Holders, the Company will deliver a copy to the Trustee at the same time.

In any case where notice to Holders of Subordinated Notes is delivered by mail, neither the failure to deliver such notice, nor any defect in any notice so delivered, to any particular Holder of a Subordinated Note will affect the sufficiency of such notice with respect to other Holders of Subordinated Notes. Any notice that is delivered in the manner herein provided will be conclusively presumed to have been duly given or provided. In the case by reason of the

suspension of regular mail service or by reason of any other cause it will be impracticable to give such notice by mail, then such notification as will be made with the approval of the Trustee will constitute a sufficient notification for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver will be the equivalent of such notice. Waivers of notice by Holders of Subordinated Notes will be filed with the Trustee, but such filing will not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Notwithstanding any other provision herein, where this Indenture provides for notice to any Holder of a Global Subordinated Note, or of an interest therein, such notice will be sufficiently given if given to the Depositary for such Global Subordinated Note (or its designee) according to the applicable procedures of such Depositary prescribed for giving such notice.

If any provision of this Indenture limits, qualifies or conflicts with the duties imposed by Section 318(c) of the Trust Indenture Act, the duties imposed by Section 318(c) of the Trust Indenture Act will control. If any provision of this Indenture modifies or excludes any provision of the Trust Indenture Act that may be so modified or excluded, the provisions of the Trust Indenture Act will be deemed to apply to this Indenture as so modified or will be excluded, as the case may be.

The Subordinated Notes may have notations, legends or endorsements required by law, stock exchange rule or usage (provided that any such notation, legend or endorsement is in a form acceptable to the Company). The Company will provide any such notations, legends or endorsements to the Trustee in writing. Each Subordinated Note will be dated the date of its authentication. The terms and provisions contained in the Subordinated Notes will constitute, and are hereby expressly made a part of this Indenture and the Company and the Trustee, by their execution and delivery of this Indenture, agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Subordinated Note irreconcilably conflicts with the express provisions of this Indenture, the provisions of this Indenture will govern and be controlling.

Section 2.02 Definitive Subordinated Notes.

The Initial Notes will be issued initially in the form of one or more Definitive Subordinated Notes. The Exchange Notes will also be issued initially in the form of one or more

Definitive Subordinated Notes, unless, before the issuance of such Exchange Notes, the Company has determined that the Subordinated Notes may be represented by Global Subordinated Notes and has so notified the Trustee, in which event the Exchange Notes will be issued in the form of one or more Global Subordinated Notes. Except as provided in Section 2.07, Holders of Definitive Subordinated Notes will not be entitled to transfer Definitive Subordinated Notes in exchange for beneficial interests in Global Subordinated Notes, and owners of beneficial interests in Global Subordinated Notes will not be entitled to receive physical delivery of Definitive Subordinated Notes.

Each Global Subordinated Note issued under this Indenture will be deposited with the Trustee at its Corporate Trust Office, as custodian for the Depositary, and registered in the name of the Depositary or the nominee thereof, duly executed by the Company and authenticated by the Trustee as hereinafter provided. The aggregate principal amount of any Global Subordinated Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depositary as hereinafter provided. Any adjustment of the aggregate principal amount of a Global Subordinated Note to reflect the amount of any increase or decrease in the amount of outstanding Subordinated Notes represented thereby will be made by the Trustee in accordance with written instructions given by the Holder thereof as required by Section 2.07 hereof and will be made on the records of the Trustee and the Depositary.

The Private Placement Legend set forth above will be removed and a new Subordinated Note of like tenor and principal amount without such Private Placement Legend will be executed by the Company, and upon written request of the Company (together with an Officers’ Certificate and an Opinion of Counsel) given at least three Business Days prior to the proposed authentication date, the Trustee will authenticate and deliver such new Subordinated Note to the

respective Holder, if legal counsel to the Holder or owner of beneficial interests requesting the removal of such Private Placement Legend deliver to the Trustee, any Registrar and Paying Agent (if a different Person than the Trustee) and the Company an opinion of counsel in compliance with this Indenture and additionally opining that the restrictive legend can be removed in connection with the transfer in accordance with the Securities Act.

Section 2.05

Execution and Authentication.

Subordinated Notes will be executed on behalf of the Company by any Authorized Officer and may (but need not) have the Company's corporate seal or a facsimile thereof reproduced thereon. The signature of an Authorized Officer on the Subordinated Notes may be manual or facsimile. Subordinated Notes bearing the manual or facsimile signatures of individuals who were at the time of execution Authorized Officers of the Company will, to the fullest extent permitted by law, bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Subordinated Notes or did not hold such offices at the date of such Subordinated Notes.

The Trustee or an Authenticating Agent will authenticate and deliver the Initial Notes for original issue in an initial aggregate principal amount of up to \$55.0 million upon one or more Company Orders and an Opinion of Counsel. In addition, the Trustee or an Authenticating Agent will upon receipt of a Company Order, Opinion of Counsel and Officers' Certificate authenticate and deliver any Exchange Notes for an initial aggregate principal amount not to exceed \$55.0 million specified in such Company Order for Exchange Notes issued hereunder. The aggregate principal amount of the Outstanding Subordinated Notes to be issued hereunder may be increased at any time hereafter and the series may be reopened for issuances of additional Subordinated Notes upon Company Order without the consent of any Holder. The Subordinated Notes issued on the date hereof and any such additional Subordinated Notes that may be issued hereafter shall be part of the same series of Subordinated Notes for all purposes under the Indenture. Unless the context otherwise requires, the initial Subordinated Notes and the Exchange Notes shall constitute one series for all purposes under the Indenture, including with respect to any amendment, waiver, acceleration or other Act of the Holders or upon redemption of the Subordinated Notes. The Subordinated Notes will be issued only in registered form without coupons and in minimum denominations of \$1,000 and any integral multiple of \$1,000 in excess thereof.

The Trustee will not be required to authenticate any Subordinated Notes if the issue of such Subordinated Notes under this Indenture will affect the Trustee's own rights, duties or immunities under the Subordinated Notes and this Indenture or otherwise in a manner that is not reasonably acceptable to the Trustee or if the Trustee, being advised by counsel, determines that such action may not lawfully be taken.

No Subordinated Note will be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Subordinated Note a certificate of authentication substantially in the form provided for herein executed by or on behalf of the Trustee or by the Authenticating Agent by the manual signature of one of its authorized signatories. Such certificate upon any Subordinated Note will be conclusive evidence, and the only evidence, that such Subordinated Note has been duly authenticated and delivered hereunder.

The Company will maintain an office or agency where Subordinated Notes may be presented for registration of transfer or for exchange (“Registrar”) and an office or agency where Subordinated Notes may be presented for payment (“Paying Agent”). The Registrar will keep a register of the Subordinated Notes (“Subordinated Note Register”) and of their transfer and exchange. The registered Holder of a Subordinated Note will be treated as the owner of the Subordinated Note for all purposes. The Company may appoint one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrar and the term “Paying Agent” includes any additional paying agent. The Company may change any Paying Agent or Registrar without prior notice to any Holder; provided that no such removal or replacement will be effective until a successor Paying Agent or Registrar will have been appointed by the Company and will have accepted such appointment. The Company will notify the Trustee in writing of the name and address of any Registrar or Paying Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee will act as such. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

The Company initially appoints the Trustee to act as the Paying Agent and Registrar for the Subordinated Notes and, in the event that any Subordinated Notes are issued in global form, to initially act as custodian with respect to the Global Subordinated Notes. In the event that the Trustee will not be or will cease to be Registrar with respect the Subordinated Notes, it will have the right to examine the Subordinated Note Register at all reasonable times. There will be only one Subordinated Note Register.

(1) Except as otherwise provided in or under this Indenture, upon surrender for registration of transfer of any Subordinated Note, the Company will execute, and the Trustee will, upon receipt of a Company Order, authenticate and deliver, in the name of the designated transferee or transferees, one or more new Subordinated Notes denominated as authorized in or under this Indenture, of a like aggregate principal amount bearing a number not contemporaneously outstanding and containing identical terms and provisions.

Except as otherwise provided in or under this Indenture, at the option of the Holder, Subordinated Notes may be exchanged for other Subordinated Notes containing identical terms and provisions, in any authorized denominations (minimum denominations of \$1,000 and any integral multiple of \$1,000 in excess thereof), and of a like aggregate principal amount, upon surrender of the Subordinated Notes to be exchanged at any office or agency for such purpose. Whenever any Subordinated Notes are so surrendered for exchange, the Company will execute, and the Trustee will authenticate and deliver, subject to the terms hereof, the Subordinated Notes that the Holder making the exchange is entitled to receive.

All Subordinated Notes issued upon any registration of transfer or exchange of Subordinated Notes will be the valid obligations of the Company evidencing the same debt and entitling the Holders thereof to the same benefits under this Indenture as the Subordinated Notes surrendered upon such registration of transfer or exchange.

Every Subordinated Note presented or surrendered for registration of transfer or for exchange or redemption will (if so required by the Company or the Registrar for such Subordinated Note) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Registrar for such Subordinated Note duly executed by the Holder thereof or his attorney duly authorized in writing.

No service charge will be made for any registration of transfer or exchange of Subordinated Notes, or any redemption or repayment of Subordinated Notes, or any conversion or exchange of Subordinated Notes for other types of securities or property, but the Company may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges that may be imposed in connection with the transfer or exchange of the Subordinated Notes from the Holder requesting such transfer or exchange.

Except as otherwise provided in or under this Indenture, the Company will not be required (i) to issue, register the transfer of or exchange any Subordinated Notes during a period beginning at the opening of business 15 days before the day of the selection for redemption of Subordinated Notes under Section 10.03 and ending at the close of business on the day of such selection, or (ii) to register the transfer of or exchange any Subordinated Note, or portion thereof, so selected for redemption, except in the case of any Subordinated Note to be redeemed in part, the portion thereof not to be redeemed.

Any Registrar appointed in accordance with Section 2.06 hereof will provide to the Trustee such information as the Trustee may reasonably require in connection with the delivery by such Registrar of Subordinated Notes upon transfer or exchange of Subordinated Notes. No Registrar will be required to make registrations of transfer or exchange of Subordinated Notes during any periods designated in the Subordinated Notes or in this Indenture as periods during which such registration of transfers and exchanges need not be made.

The Trustee will have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Subordinated Note (including any transfers between or among Depositary participants or beneficial owners of interests in any Global Subordinated Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Neither the Trustee nor any Paying Agent will have any responsibility for any actions taken or not taken by the Depositary.

(2) When Definitive Subordinated Notes are presented by a Holder to the Registrar with a request to register the transfer of such Definitive Subordinated Notes or to exchange such Definitive Subordinated Notes for an equal principal amount of Definitive Subordinated Notes of other authorized denominations, the Registrar will register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided, however*, that the Definitive Subordinated Notes surrendered for transfer or exchange will be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company

and the Registrar, duly executed by the Holder thereof or such Holder's attorney duly authorized in writing.

(3) A Global Subordinated Note may not be transferred except by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. All Global Subordinated Notes will be exchanged by the Company for Definitive Subordinated Notes if: (i) the Depositary has notified the Company that it is unwilling or unable to continue as Depositary for such Global Subordinated Note or such Depositary has ceased to be a "clearing agency" registered under the Exchange Act, and a successor depositary is not appointed by the Company within 90 days, (ii) the Company determines that the Subordinated Notes are no longer to be represented by Global Subordinated Notes and so notifies the Trustee in writing, or (iii) an Event of Default has occurred and is continuing with respect to the Subordinated Notes and the Depositary or its participant(s) has requested the issuance of Definitive Subordinated Notes.

Any Global Subordinated Note exchanged in accordance with clause (i) or (ii) above will be so exchanged in whole and not in part, and any Global Subordinated Note exchanged in accordance with clause (iii) above may be exchanged in whole or from time to time in part as directed by the Depositary.

Upon the occurrence of any of the preceding events in (i), (ii) or (iii) above, Definitive Subordinated Notes will be issued in fully registered form, without interest coupons, will have an aggregate Principal Amount equal to that of the Global Subordinated Note or portion thereof to be so exchanged, will be registered in such names and be in such authorized denominations as the Depositary will instruct the Trustee in writing and will bear such legends as provided herein. Global Subordinated Notes also may be exchanged or replaced, in whole or in part, as provided in Section 2.09 hereof. Every Subordinated Note authenticated and delivered in exchange for, or in lieu of, a Global Subordinated Note or any portion thereof, in accordance with this Section 2.07 or Section 2.09 hereof, will be authenticated and delivered in the form of, and will be, a Global Subordinated Note, except as otherwise provided herein. A Global Subordinated Note may not be exchanged for another Subordinated Note other than as provided in this Section 2.07(3); however, beneficial interests in a Global Subordinated Note may be transferred and exchanged as provided in (4) hereof.

Any Global Subordinated Note to be exchanged in whole will be surrendered by the Depositary to the Trustee. With regard to any Global Subordinated Note to be exchanged in part, either such Global Subordinated Note will be so surrendered for exchange or, if the Trustee is acting as custodian for the Depositary or its nominee with respect to such Global Subordinated Note, the principal amount thereof will be reduced, by an amount equal to the portion thereof to be so exchanged, by means of an appropriate adjustment made on the records of the Trustee. Upon any such surrender or adjustment, the Trustee will authenticate and deliver the Subordinated Note issuable on such exchange to or upon the order of the Depositary or an authorized representative thereof.

(4) The transfer and exchange of beneficial interests in the Global Subordinated Notes will be effected through the Depositary in accordance with the Applicable Procedures and this Section 2.07.

(5) A Definitive Subordinated Note may not be exchanged for a beneficial interest in a Global Subordinated Note unless the Company determines that the Subordinated Notes may be represented by Global Subordinated Notes and so notifies the Trustee. After the Company has determined that the Subordinated Notes may be represented by Global Subordinated Notes and so notifies the Trustee in writing, then upon receipt by the Trustee of a Definitive Subordinated Note, duly endorsed or accompanied by appropriate instruments of transfer, in form satisfactory to the Trustee, together with written instructions from such Holder directing the Trustee to make, or to direct the Registrar to make, an adjustment on its books and records with respect to such Global Subordinated Note to reflect an increase in the aggregate principal amount of the Subordinated Notes represented by the Global Subordinated Note, such instructions to contain information regarding the Depositary account to be credited with such increase, the Trustee will cancel such Definitive Subordinated Note and cause, or direct the Registrar to cause, in accordance with the standing instructions and procedures existing between the Depositary and the Registrar, the aggregate principal amount of Subordinated Notes represented by the Global Subordinated Note to be increased by the aggregate principal amount of the Definitive Subordinated Note to be exchanged, and will credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Subordinated Note equal to the principal amount of the Definitive Subordinated Note so cancelled. If no Global Subordinated Notes are then outstanding, the Company will issue and the Trustee will authenticate, upon Company Order, a new Global Subordinated Note in the appropriate principal amount.

(6) At such time as all beneficial interests in a particular Global Subordinated Note have been exchanged for Definitive Subordinated Notes or a particular Global Subordinated Note has been repurchased or canceled in whole and not in part, each such Global Subordinated Note will be returned to or retained and canceled by the Trustee in accordance with Section 2.12 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Subordinated Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Subordinated Note or for Definitive Subordinated Notes, the principal amount of Subordinated Notes represented by such Global Subordinated Note will be reduced accordingly by adjustments made on the records of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Subordinated Note, such other Global Subordinated Note will be increased accordingly by adjustments made on the records of the Trustee to reflect such increase.

(7) No Restricted Subordinated Note will be transferred or exchanged except in compliance with the Private Placement Legend or as provided in accordance with Section 2.08. In addition to the provisions for transfer and exchange set forth in this Section 2.07, the Trustee, any Registrar and Paying Agent (if a different Person than the Trustee) and the Company may, prior to effecting any requested transfer or exchange of any Restricted Subordinated Notes, other than an exchange in accordance with Section 2.08, require that legal counsel to the Holder or owner of beneficial interests requesting such transfer or exchange deliver to the Trustee, any

Registrar and Paying Agent (if a different Person than the Trustee) and the Company, an Opinion of Counsel in compliance with this Indenture and additionally opining that the transfer or exchange is in compliance with the requirements of the Private Placement Legend and that the Subordinated Note issued to the transferee or in exchange for the Restricted Subordinated Note may be issued free of the Private Placement Legend. Any untransferred or unexchanged balance of a Restricted Subordinated Note will be reissued to the Holder with the Private Placement Legend, unless the Private Placement Legend may be omitted in accordance with Section 2.04, as evidenced by the Opinion of Counsel.

Section 2.08

Exchange Offer.

Upon the occurrence of an Exchange Offer in accordance with the Registration Rights Agreement, the Company will issue and, upon receipt of a Company Order in accordance with Section 2.05 hereof, the Trustee will authenticate (i) Unrestricted Definitive Subordinated Notes in an aggregate principal amount equal to the principal amount of the Restricted Definitive Subordinated Notes tendered in such Exchange Offer for acceptance by Persons that certify in the applicable Letters of Transmittal that (x) they are not Participating Broker-Dealers, (y) they are not participating in a distribution of the applicable Exchange Notes and (z) they are not Affiliates of the Company, and accepted for exchange in such Exchange Offer or, if permitted by the Company, (ii) one or more Unrestricted Global Subordinated Notes in an aggregate principal amount equal to the principal amount of the beneficial interests in the Restricted Global Subordinated Notes tendered in such Exchange Offer for acceptance by Persons that certify in the applicable Letters of Transmittal that (x) they are not Participating Broker-Dealers, (y) they are not participating in a distribution of the applicable Exchange Notes and (z) they are not Affiliates of the Company, and accepted for exchange in such Exchange Offer. Concurrently with the issuance of such Unrestricted Global Subordinated Notes upon exchange of Restricted Global Subordinated Notes, the Trustee will cause the aggregate principal amount of the applicable Restricted Global Subordinated Notes to be reduced accordingly, and the Company will execute and the Trustee will authenticate and deliver to the Persons designated by the Holders of Restricted Definitive Subordinated Notes so accepted Unrestricted Definitive Subordinated Notes in the applicable principal amount. Any Subordinated Notes that remain outstanding after the consummation of such Exchange Offer, and Exchange Notes issued in connection with such Exchange Offer, will be treated as a single class of securities under this Indenture.

Section 2.09

Mutilated, Destroyed, Lost and Stolen Subordinated Notes.

If any mutilated Subordinated Note is surrendered to the Trustee, subject to the provisions of this Section 2.09, the Company will execute and the Trustee will authenticate and deliver in exchange therefor a new Subordinated Note containing identical terms and of like principal amount and bearing a number not contemporaneously outstanding.

If there be delivered to the Company and to the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Subordinated Note, and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Subordinated Note has been acquired by a bona fide purchaser, the Company will execute and, upon the Company's written

instruction the Trustee will authenticate and deliver, in exchange for or in lieu of any such destroyed, lost or stolen Subordinated Note, a new Subordinated Note containing identical terms and of like principal amount and bearing a number not contemporaneously outstanding.

Notwithstanding the foregoing provisions of this Section 2.09, in case the outstanding principal balance of any mutilated, destroyed, lost or stolen Subordinated Note has become or is about to become due and payable, or is about to be redeemed by the Company pursuant to Article X hereof, the Company in its discretion may, instead of issuing a new Subordinated Note, pay or redeem such Subordinated Note, as the case may be.

Upon the issuance of any new Subordinated Note under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Subordinated Note issued in accordance with this Section in lieu of any destroyed, lost or stolen Subordinated Note will constitute a separate obligation of the Company, whether or not the destroyed, lost or stolen Subordinated Note will be at any time enforceable by anyone, and will be entitled to all the benefits of this Indenture equally and proportionately with any and all other Subordinated Notes duly issued hereunder.

The provisions of this Section, as amended or supplemented in accordance with this Indenture with respect to particular Subordinated Notes or generally, will (to the extent lawful) be exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Subordinated Notes.

Section 2.10 Payment of Interest; Rights to Interest Preserved.

Any interest on any Subordinated Note that will be payable, and punctually paid or duly provided for, on any Interest Payment Date will be paid to the Person in whose name such Subordinated Note is registered on the Regular Record Date for such Interest Payment Date.

Any interest on any Subordinated Note that will be payable, but will not be punctually paid or duly provided for, on any Interest Payment Date for such Subordinated Note (herein called "Defaulted Interest") will cease to be payable to the Holder thereof on the relevant Regular Record Date by virtue of having been such Holder; and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Person in whose name such Subordinated Note will be registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which will be fixed in the following manner:

The Company will notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on such Subordinated Note and the date of the proposed payment, and at the same time the Company will deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or will make arrangements satisfactory to the Trustee for such deposit on or prior to the date of the proposed payment, such

money when so deposited to be held in trust for the benefit of the Person entitled to such Defaulted Interest as in this clause provided. Thereupon, the Company will fix or cause to be fixed a Special Record Date for the payment of such Defaulted Interest, which will be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company), will cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be delivered to the Holder of such Subordinated Note at the Holder's address as it appears in the Subordinated Note Register not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been delivered as aforesaid, such Defaulted Interest will be paid to the Person in whose name such Subordinated Note will be registered at the close of business on such Special Record Date and will no longer be payable under the following clause (2).

(2) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Subordinated Note may be listed, and upon such notice as may be required by such exchange, if, after written notice given by the Company to the Trustee of the proposed payment under this Clause, such payment will be deemed practicable by the Trustee.

Unless otherwise provided in or under this Indenture or the Subordinated Notes, at the option of the Company, interest on Subordinated Notes that bear interest may be paid by mailing a check to the address of the Person entitled thereto as such address will appear in the Subordinated Note Register or by transfer to an account maintained by the payee with a bank located in the United States.

Subject to the foregoing provisions of this Section and Section 2.07, each Subordinated Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Subordinated Note will carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Subordinated Note.

Section 2.11 Persons Deemed Owners.

Prior to due presentment of a Subordinated Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name such Subordinated Note is registered in the Subordinated Note Register as the owner of such Subordinated Note for the purpose of receiving payment of principal of, and (subject to Section 2.07 and Section 2.10) interest on, such Subordinated Note and for all other purposes whatsoever, whether or not any payment with respect to such Subordinated Note will be overdue, and neither the Company, the Trustee or any agent of the Company or the Trustee will be affected by notice to the contrary.

No holder of any beneficial interest in any Global Subordinated Note held on its behalf by a Depository will have any rights under this Indenture with respect to such Global Subordinated Note, and such Depository may be treated by the Company, the Trustee, and any agent of the Company or the Trustee as the owner of such Global Subordinated Note for all

purposes whatsoever. None of the Company, the Trustee, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Subordinated Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Notwithstanding the foregoing, nothing herein will prevent the Company, the Trustee, any Paying Agent or the Registrar from giving effect to any written certification, proxy or other authorization furnished by the applicable Depositary, as a Holder, with respect to a Global Subordinated Note or impair, as between such Depositary and the owners of beneficial interests in such Global Subordinated Note, the operation of customary practices governing the exercise of the rights of such Depositary (or its nominee) as the Holder of such Global Subordinated Note.

Section 2.12 Cancellation.

All Subordinated Notes surrendered for payment, redemption, registration of transfer or exchange will, if surrendered to any Person other than the Trustee, be delivered to the Trustee, and any such Subordinated Note, as well as Subordinated Notes surrendered directly to the Trustee for any such purpose, will be cancelled promptly by the Trustee. The Company may at any time deliver to the Trustee for cancellation any Subordinated Notes previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Subordinated Notes so delivered will be cancelled promptly by the Trustee. No Subordinated Notes will be authenticated in lieu of or in exchange for any Subordinated Notes cancelled as provided in this Section, except as expressly permitted by or under this Indenture. All cancelled Subordinated Notes held by the Trustee will be disposed of in accordance with its procedure for the disposition of cancelled Subordinated Notes, and the Trustee upon the written request of the Company will deliver to the Company a certificate of such disposition, unless by a Company Order the Company shall direct that cancelled Subordinated Notes shall be returned to the Company.

Section 2.13 Computation of Interest.

From and including the original issue date of the Subordinated Notes to but excluding December 1, 2023, the rate at which the Subordinated Notes shall bear interest shall be 6.180% per annum, computed on the basis of a 360-day year consisting of twelve 30-day months and payable semiannually in arrears on each Fixed Interest Payment Date. From and including December 31, 2023, to but excluding the Stated Maturity, the rate at which the Subordinated Notes shall bear interest shall be a floating rate equal to LIBOR for the applicable Interest Period plus 315 basis points, computed on the basis of a 360-day year and the actual number of days elapsed and payable quarterly in arrears on each Floating Interest Payment Date. Any payment of principal of or interest on the Subordinated Notes that would otherwise become due and payable on a day which is not a Business Day will become due and payable on the next succeeding Business Day, with the same force and effect as if made on the date for payment of such principal or interest, and no interest will accrue in respect of such payment for the period after such day.

The Company may issue the Subordinated Notes with one or more “CUSIP” numbers (if then generally in use). The Company will promptly notify the Trustee in writing of any change in the CUSIP numbers. The Trustee may use “CUSIP” numbers in notices (including but not limited to notices of redemption or exchange) as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Subordinated Notes or as contained in any notice (including any notice of redemption or exchange) and that reliance may be placed only on the other identification numbers printed on the Subordinated Notes, and any such notice will not be affected by any defect in or omission of such numbers.

ARTICLE III
SATISFACTION AND DISCHARGE OF INDENTURE

This Indenture will cease to be of further effect, and the Trustee, on receipt of a Company Order, at the expense of the Company, will execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(1) either

(a) all Subordinated Notes theretofore authenticated and delivered (other than (i) Subordinated Notes that have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.09 and (ii) Subordinated Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 9.03) have been delivered to the Trustee for cancellation; or

(b) all Subordinated Notes that have not been delivered to the Trustee for cancellation (i) have become due and payable, or (ii) will become due and payable at their Stated Maturity within one year, or (iii) if redeemable at the option of the Company, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company, and the Company, in the case of (i), (ii) or (iii) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for such purpose, an amount sufficient to pay and discharge the entire indebtedness on such Subordinated Notes not theretofore delivered to the Trustee for cancellation, including the principal of, and interest on, such Subordinated Notes, to the date of such deposit (in the case of Subordinated Notes which have become due and payable) or to the Maturity thereof, as the case may be;

(2) the Company has paid or caused to be paid all other sums payable hereunder by the Company with respect to the Outstanding Subordinated Notes; and

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture with respect to the Subordinated Notes, the obligations of the Company to the Trustee under Section 5.07 and, if money will have been deposited with the Trustee in accordance with Section 3.01(1)(b), the obligations of the Company and the Trustee with respect to the Subordinated Notes under Section 3.03 and Section 9.03 will survive.

Section 3.02 Defeasance and Covenant Defeasance.

(1) The Company may at its option and at any time, elect to have Section 3.02(2) or Section 3.02(3) be applied to such Outstanding Subordinated Notes upon compliance with the conditions set forth below in this Section 3.02. Legal Defeasance and Covenant Defeasance may be effected only with respect to all, and not less than all, of the Outstanding Subordinated Notes.

(2) Upon the Company's exercise of the above option applicable to this Section 3.02(2), the Company will be deemed to have been discharged from its obligations with respect to such Outstanding Subordinated Notes on the date the conditions set forth in clause (4) of this Section 3.02 are satisfied ("Legal Defeasance"). For this purpose, Legal Defeasance means that the Company will be deemed to have paid and discharged the entire indebtedness represented by such Outstanding Subordinated Notes, which will thereafter be deemed to be "Outstanding" only for the purposes of Section 3.02(5) and the other Sections of this Indenture referred to in clauses (i) through (iv) of this paragraph, and to have satisfied all of its other obligations under such Subordinated Notes and this Indenture insofar as such Subordinated Notes are concerned (and the Trustee, at the expense of the Company, will execute proper instruments acknowledging the same), except for the following which will survive until otherwise terminated or discharged hereunder: (i) the rights of Holders of such Outstanding Subordinated Notes to receive, solely from the trust fund described in Section 3.02(4)(a) and as more fully set forth in this Section 3.02 and Section 3.03, payments in respect of the principal of and interest, if any, on, such Subordinated Notes when such payments are due, (ii) the obligations of the Company and the Trustee with respect to such Subordinated Notes under Section 2.07, Section 2.09, Section 9.02 and Section 9.03, (iii) the rights, powers, trusts, duties and immunities of the Trustee hereunder and (iv) this Section 3.02 and Section 3.03. The Company may exercise its option under this Section 3.02(2) notwithstanding the prior exercise of its option under Section 3.02(3) with respect to such Subordinated Notes.

(3) Upon the Company's exercise of the above option applicable to this Section 3.02(3), the Company will be released from its obligations under clauses (ii) and (iii) of Section 9.04 and under Section 9.05, Section 9.06 and Section 9.08 on and after the date the conditions set forth in Section 3.02(4) are satisfied ("Covenant Defeasance"), and such Subordinated Notes will thereafter be deemed to be not "Outstanding" for the purposes of any direction, waiver, consent or declaration or Act of Holders (and the consequences of any thereof) in connection with any such covenant, but will continue to be deemed "Outstanding" for all other purposes hereunder. For this purpose, such Covenant Defeasance means that with respect to such Outstanding Subordinated Notes, the Company may omit to comply with, and will have no liability in respect of, any term, condition or limitation set forth in any such Section or any such other covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such Section or such other covenant or by reason of reference in any such Section or such other covenant to any other provision herein or in any other document and such omission to comply

will not constitute a default, but, except as specified above, the remainder of this Indenture and such Subordinated Notes will be unaffected thereby.

(4) The following will be the conditions to application of Section 3.02(2) or Section 3.02(3) to any Outstanding Subordinated Notes:

(a) The Company will irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 5.08 who will agree to comply with the provisions of this Section 3.02 applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the Holders, (i) an amount in Dollars, (ii) Government Obligations that through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment of principal of and interest, if any, on such Subordinated Notes, money or (iii) a combination thereof, in any case, in an amount, sufficient, without consideration of any reinvestment of such principal and interest, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which will be applied by the Trustee (or other qualifying trustee) to pay and discharge, the principal of and interest, if any, on, such Outstanding Subordinated Notes on the Stated Maturity of such principal or installment of principal or interest or the applicable Redemption Date, as the case may be.

(b) Such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, this Indenture or any other material agreement or instrument to which the Company or any Subsidiary is a party or by which it is bound.

(c) No Event of Default or event which with notice or lapse of time or both would become an Event of Default with respect to such Subordinated Notes will have occurred and be continuing on the date of such deposit, and, solely in the case of Legal Defeasance under Section 3.02(2), no Event of Default, or event which with notice or lapse of time or both would become an Event of Default, under Section 4.01 will have occurred and be continuing at any time during the period ending on and including the 91st day after the date of such deposit (it being understood that this condition to Legal Defeasance under Section 3.02(2) will not be deemed satisfied until the expiration of such period).

(d) In the case of Legal Defeasance, the Company will have delivered to the Trustee an Opinion of Counsel stating that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (ii) since the date of this Indenture there has been a change in applicable federal income tax law, in either case to the effect that, and based thereon such opinion of independent counsel will confirm that, the Holders of such Outstanding Subordinated Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred.

(e) In the case of Covenant Defeasance, the Company will have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of such Outstanding

Subordinated Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred.

(f) The Company will have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the Legal Defeasance or Covenant Defeasance, as the case may be, under this Indenture have been satisfied.

(g) If the moneys or Government Obligations or combination thereof, as the case may be, deposited under Section 3.02(4)(a) above are sufficient to pay the principal of, and interest, if any, on, such Subordinated Notes provided such Subordinated Notes are redeemed on a particular Redemption Date, the Company will have given the Trustee irrevocable instructions to redeem such Subordinated Notes on such date and to provide notice of such redemption to Holders as provided in or under this Indenture.

(h) The Trustee will have received such other documents, assurances and Opinions of Counsel as the Trustee will have reasonably required in its discretion.

(5) Subject to the provisions of the last paragraph of Section 9.03, all money and Government Obligations deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 3.02(5), the "Trustee") in accordance with Section 3.02(4)(a) in respect of any Outstanding Subordinated Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Subordinated Notes and this Indenture, to the payment, either directly or through any Paying Agent (other than the Company or any Subsidiary or Affiliate of the Company acting as Paying Agent) as the Trustee may determine in its discretion, to the Holders of all sums due and to become due thereon in respect of principal and interest but such money and Government Obligations need not be segregated from other funds, except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge, imposed on or assessed against the Government Obligations deposited in accordance with this Section 3.02 or the principal or interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the Outstanding Subordinated Notes.

Section 3.03 Application of Trust Money.

Subject to the provisions of the last paragraph of Section 9.03, all money and Government Obligations deposited with the Trustee in accordance with Section 3.01 or Section 3.02 will be held in trust and applied by the Trustee, in accordance with the provisions of such Subordinated Notes subject to discharge under Section 3.01 or Legal Defeasance or Covenant Defeasance under Section 3.02, and this Indenture, to the payment, either directly or through any Paying Agent (including the Company, acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal and interest for whose payment such money has or Government Obligations have been deposited with or received by the Trustee; but

such money and Government Obligations need not be segregated from other funds, except to the extent required by law.

Section 3.04 Reinstatement.

If the Trustee (or other qualifying trustee appointed in accordance with Section 3.02(4)(a)) or any Paying Agent is unable to apply any moneys or Government Obligations deposited in accordance with Section 3.01(1) or Section 3.02(4)(a) to pay any principal of, or interest, if any, on, the Subordinated Notes by reason of any legal proceeding or any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Subordinated Notes will be revived and reinstated as though no such deposit had occurred, until such time as the Trustee (or other qualifying trustee) or Paying Agent is permitted to apply all such moneys and Government Obligations to pay the principal of, and interest, if any, on the Subordinated Notes as contemplated by Section 3.01 or Section 3.02 as the case may be; *provided, however*, that if the Company makes any payment of the principal of, or interest if any on, the Subordinated Notes following the reinstatement of its obligations as aforesaid, the Company will be subrogated to the rights of the Holders of such Subordinated Notes to receive such payment from the funds held by the Trustee (or other qualifying trustee) or Paying Agent.

Section 3.05 Effect on Subordination Provisions.

The provisions of Article XI are expressly made subject to the provisions for, and to the right of the Company to effect, the satisfaction and discharge of all of the Subordinated Notes as set forth in and in accordance with Section 3.01 and the provisions for, and to the right of the Company to effect, Legal Defeasance and Covenant Defeasance of all of the Subordinated Notes as set forth in and in accordance with Section 3.02. As a result, and anything herein to the contrary notwithstanding, if the Company complies with the provisions of Section 3.01 to effect the satisfaction and discharge of the Subordinated Notes or complies with the provisions of Section 3.02 to effect the Legal Defeasance or Covenant Defeasance, upon the effectiveness of such satisfaction and discharge in accordance with Section 3.01 or of Legal Defeasance or Covenant Defeasance in accordance with Section 3.02, in the case of satisfaction and discharge in accordance with Section 3.01, or, in the case of Legal Defeasance or Covenant Defeasance in accordance with Section 3.02, the Subordinated Notes as to which Legal Defeasance or Covenant Defeasance, as the case may be, will have become effective will thereupon cease to be so subordinated in right of payment to the Senior Indebtedness and will no longer be subject to the provisions of Article XI and, without limitation to the foregoing, all moneys and Government Obligations deposited with the Trustee (or other qualifying trustee) in trust in connection with such satisfaction and discharge. Legal Defeasance or Covenant Defeasance, as the case may be, and all proceeds therefrom may be applied to pay the principal of, and interest, if any, on, such Subordinated Notes as and when the same will become due and payable notwithstanding the provisions of Article XI without regard to whether any or all of the Senior Indebtedness then outstanding will have been paid or otherwise provided for.

ARTICLE IV
REMEDIES

Section 4.01 Events of Default; Acceleration.

An “Event of Default” means any one of the following events (whatever the reason for such Event of Default and whether it will be voluntary or involuntary or be effected by operation of law or in accordance with any judgment, decree, or order of any court or any order, rule, or regulation of any administrative or governmental body):

- (1) the entry of a decree or order for relief in respect of the Company by a court having jurisdiction in the premises in an involuntary case or proceeding under any applicable bankruptcy, insolvency, or reorganization law, now or hereafter in effect of the United States or any political subdivision thereof, and such decree or order will have continued unstayed and in effect for a period of 30 consecutive days;
- (2) the commencement by the Company of a voluntary case under any applicable bankruptcy, insolvency or reorganization law, now or hereafter in effect of the United States or any political subdivision thereof, or the consent by the Company to the entry of a decree or order for relief in an involuntary case or proceeding under any such law;
- (3) the failure of the Company to pay any installment of interest on any of the Subordinated Notes as and when the same will become due and payable, and the continuation of such failure for a period of 15 days;
- (4) the failure of the Company to pay all or any part of the principal of any of the Subordinated Notes as and when the same will become due and payable under this Indenture;
- (5) the failure of the Company to perform any other covenant or agreement on the part of the Company contained in the Subordinated Notes or in this Indenture, and the continuation of such failure for a period of 30 days after the date on which notice specifying such failure, stating that such notice is a “Notice of Default” hereunder and demanding that the Company remedy the same, will have been given, in the manner set forth in Section 1.05, to the Company by the Trustee, or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Subordinated Notes at the time Outstanding; or the default by the Company under any bond, debenture, note or other evidence of indebtedness for money borrowed by the Company having an aggregate principal amount outstanding of at least \$55,000,000, whether such indebtedness now exists or is created or incurred in the future, which default (i) constitutes a failure to pay any portion of the principal of such indebtedness when due and payable after the expiration of any applicable grace period or (ii) results in such indebtedness becoming due or being declared due and payable prior to the date on which it otherwise would have become due and payable without, in the case of clause (i), such indebtedness having been discharged or, in the case of clause (ii), without such indebtedness having been discharged or such acceleration having been rescinded or annulled.

Upon becoming aware of any Event of Default, the Company will promptly deliver to the Trustee a written statement specifying the Event of Default.

If an Event of Default described in Section 4.01(1) or Section 4.01(2) occurs, then the principal amount of all of the Outstanding Subordinated Notes, and accrued and unpaid interest, if any, on all Outstanding Subordinated Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder, and the Company waives demand, presentment for payment, notice of nonpayment, notice of protest, and all other notices. Notwithstanding the foregoing, because the Company will treat the Subordinated Notes as Tier 2 Capital, upon the occurrence of an Event of Default other than an Event of Default described in Section 4.01(1) or Section 4.01(2), neither the Trustee nor any Holder may accelerate the Maturity of the Subordinated Notes and make the principal of, and any accrued and unpaid interest on, the Subordinated Notes, immediately due and payable.

If any Event of Default occurs and is continuing, the Trustee may also pursue any other available remedy to collect the payment of principal of, and interest on, the Subordinated Notes or to enforce the performance of any provision of the Subordinated Notes or this Indenture.

Section 4.02 Failure to Make Payments.

If an Event of Default described in Section 4.01(3) or Section 4.01(4) occurs, the Company will, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holders of such Subordinated Notes, the whole amount then due and payable with respect to such Subordinated Notes, with interest upon the overdue principal, and, to the extent permitted by applicable law, upon any overdue installments of interest at the rate or respective rates, as the case may be, provided for or with respect to such Subordinated Notes or, if no such rate or rates are so provided, at the rate or respective rates, as the case may be, of interest borne by such Subordinated Notes, and, in addition thereto, such further amount of money as will be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and all other amounts due to the Trustee under Section 5.07.

If the Company fails to pay the money it is required to pay the Trustee, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree, and may enforce the same against the Company or any other obligor upon such Subordinated Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company, wherever situated.

The Trustee may proceed to protect and enforce its rights and the rights of the Holders of Subordinated Notes by such appropriate judicial proceedings as the Trustee will deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other proper remedy.

Upon the occurrence of a failure by the Company to make any required payment of principal or interest on the Subordinated Notes, the Company may not declare or pay any dividends or distributions on, or redeem, purchase, acquire, or make a liquidation payment with respect to, any of the Company's capital stock, make any payment of principal or interest or premium, if any, on or repay, repurchase or redeem any debt securities of the Company that rank

equal with or junior to the Subordinated Notes, or make any payments under any guarantee that ranks equal with or junior to the Subordinated Notes, other than: (i) any dividends or distributions in shares of, or options, warrants or rights to subscribe for or purchase shares of, any class of Company's common stock; (ii) any declaration of a dividend in connection with the implementation of a shareholders' rights plan, or the issuance of stock under any such plan in the future, or the redemption or repurchase of any such rights pursuant thereto; (iii) as a result of a reclassification of Company's capital stock or the exchange or conversion of one class or series of Company's capital stock for another class or series of Company's capital stock; (iv) the purchase of fractional interests in shares of Company's capital stock in accordance with the conversion or exchange provisions of such capital stock or the security being converted or exchanged; or (v) purchases of any class of Company's common stock related to the issuance of common stock or rights under any benefit plans for Company's directors, officers or employees or any of Company's dividend reinvestment plans.

Section 4.03

Trustee May File Proofs of Claim.

In case of any judicial proceeding relative to the Company (or any other obligor upon the Subordinated Notes), its property or its creditors, the Trustee will be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee will be authorized to:

(1) file and prove a claim for the whole amount, or such lesser amount as may be provided for in the Subordinated Notes, of the principal and interest owing and unpaid in respect of such Subordinated Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents or retained professionals) and of the Holders of such Subordinated Notes allowed in such judicial proceeding, and

(2) collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator, or other similar official in any such judicial proceeding is authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee will consent to the making of such payments directly to the Holders and to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements, and advances of the Trustee, its agents and retained professionals, and any other amounts due hereunder.

No provision of this Indenture will be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment, or composition affecting the Subordinated Notes or the rights of any Holder or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding; *provided, however*, the Trustee may vote on behalf of the Holders for the election of a trustee in bankruptcy or similar official and may be a member of a creditors, or other similar committee.

Section 4.04

Trustee May Enforce Claims Without Possession of Subordinated Notes.

All rights of action and claims under this Indenture or the Subordinated Notes may be prosecuted and enforced by the Trustee without the possession of any of the Subordinated Notes or the production of such Subordinated Notes in any related proceeding, and any such proceeding instituted by the Trustee will be brought in its own name as trustee of an express trust, and any recovery of judgment will, after provision for the payment of the reasonable compensation, expenses, disbursements, and advances of the Trustee, its agents, and retained professionals, be for the ratable benefit of the Holders in respect of which such judgment has been recovered.

Section 4.05

Application of Money Collected.

Any money collected by the Trustee in accordance with this Article IV or, after an Event of Default, any money or other property distributable in respect of the Company's obligations under this Indenture will be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or any interest, upon presentation of the Subordinated Notes and the notation on such Subordinated Notes of the payment if only partially paid and upon surrender of such Subordinated Notes if fully paid:

FIRST: To the payment of all amounts due the Trustee (including the payment of Trustee's agents, accountants, consultants, counsel and other experts employed by it in the exercise and performance of its powers and duties as Trustee), acting in any capacity hereunder, (including any predecessor trustee) under Section 5.07;

SECOND: To the payment of amounts then due and unpaid to the holders of Senior Indebtedness, to the extent required under the Subordination Provisions established with respect to the Subordinated Notes;

THIRD: To the payment of the amounts then due and unpaid for principal of and any interest on the Subordinated Notes in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the aggregate amounts due and payable on such Subordinated Notes for principal and interest, respectively; and

FOURTH: The balance, if any, to the Person or Persons entitled thereto.

Section 4.06

Limitation on Suits.

No Holder of any Subordinated Note will have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture or any Subordinated Notes, or for the appointment of a receiver or trustee, or for any other remedy under this Indenture, unless:

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Subordinated Notes;

(2) the Holders of not less than 25% in aggregate principal amount of the Outstanding Subordinated Notes will have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee under the Indenture;

(3) such Holder or Holders have offered to the Trustee security and indemnity reasonably satisfactory to the Trustee to bond against the costs, expenses, and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request, and offer of indemnity has failed to institute any such proceeding; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in aggregate principal amount of the Outstanding Subordinated Notes;

it being understood and intended that no one or more of such Holders will have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb, or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner provided in this Indenture and for the equal and ratable benefit of all of such Holders.

Section 4.07 Unconditional Right of Holders to Payments.

Notwithstanding any other provision in this Indenture, the Holder of any Subordinated Note will have the right, which is absolute and unconditional, to receive payment of the principal of and (subject to Section 2.07 and Section 2.10) any interest on such Subordinated Note on the respective Stated Maturity or Maturities expressed in such Subordinated Note (or, in the case of redemption, on the Redemption Date), and to institute suit for the enforcement of any such payment and such rights will not be impaired without the consent of such Holder.

Section 4.08 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders will be restored severally and respectively to their former positions under this Indenture, and thereafter all rights and remedies of the Trustee and the Holders will continue as though no such proceeding had been instituted.

Section 4.09 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost, or stolen Subordinated Notes in the last paragraph of Section 2.09, no right or remedy conferred in this Indenture upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy will, to the extent permitted by law, be cumulative and in addition to every other right and remedy given under this Indenture or now or in the future existing at law or in equity or otherwise. The assertion or

employment of any right or remedy under this Indenture, or otherwise, will not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 4.10 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Subordinated Notes to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of or acquiescence in any such Event of Default. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 4.11 Control by Holders.

The Holders of a majority in aggregate principal amount of the Outstanding Subordinated Notes will have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Subordinated Notes, *provided* that

- (1) such direction will not violate any rule of law or this Indenture or the Subordinated Notes,
- (2) the Trustee may take any other action deemed proper by the Trustee in its discretion which is not inconsistent with such direction, and
- (3) the Trustee will have the right to decline to follow any such direction if the Trustee in good faith will determine that the proceeding so directed would involve the Trustee in personal liability.

Section 4.12 Waiver of Past Defaults.

The Holders of not less than a majority in aggregate principal amount of the Outstanding Subordinated Notes may on behalf of the Holders of all the Subordinated Notes waive any past default under this Indenture and its consequences, except a default in the payment of the principal of, or interest on, any Subordinated Note, or in respect of a covenant or provision of this Indenture which under Article VIII cannot be modified or amended without the consent of the Holder of each Outstanding Subordinated Note.

Upon any such waiver, such default will cease to exist, and any Event of Default arising from such default will be deemed to have been cured, for every purpose of this Indenture; but no such waiver will extend to any subsequent or other default or impair any consequent right.

Section 4.13 Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Subordinated Notes by his acceptance of such Subordinated Notes will be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered, or omitted by it as Trustee, the

filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorney's fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 4.13 will not apply to any suit instituted by the Company, to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Subordinated Notes, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest, if any, on any Subordinated Notes on or after the Stated Maturity or Maturities expressed in such Subordinated Notes (or, in the case of redemption, on or after the Redemption Date).

ARTICLE V
THE TRUSTEE

Section 5.01 Duties of Trustee.

(1) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it hereby, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(2) Except during the continuance of an Event of Default:

(a) the duties of the Trustee will be determined solely by the express provisions hereof and the Trustee need perform only those duties that are specifically set forth herein and no others, and no implied covenants or obligations will be read into this Indenture against the Trustee; and

(b) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements hereof; however, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements hereof (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(3) Whether or not therein expressly so provided, every provision hereof that in any way relates to the Trustee is subject to paragraphs (1) and (2) of this Section 5.01 and to Section 5.02.

(4) No provision hereof will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder has offered to the Trustee security and indemnity reasonably satisfactory to it against any loss, liability or expense.

(5) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Subject to Section 315(a) through Section 315(d) of the Trust Indenture Act:

- (1) the Trustee may conclusively rely and will be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties;
 - (2) any request or direction of the Company mentioned herein will be sufficiently evidenced by a Company Request or a Company Order (unless other evidence in respect thereof be herein specifically prescribed) and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;
 - (3) whenever in the administration of this Indenture the Trustee will deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence will be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate or Opinion of Counsel, or both, which will comply with Section 1.02;
 - (4) before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon. The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.
 - (5) the Trustee will be under no obligation to exercise any of the rights or powers vested in it by or under this Indenture at the request or direction of any Holder(s) under this Indenture, unless such Holder(s) will have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction;
 - (6) the Trustee will not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee will determine to make such further inquiry or investigation, it will be entitled to examine, during business hours and upon reasonable notice, the books, records and premises of the Company, personally or by agent, accountant or attorney, at the sole cost of the Company and will incur no liability or additional liability of any kind by reason of such inquiry or investigation;
 - (7) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee will not be
-

responsible for any misconduct or negligence on the part of any agent or professional appointed with due care by it hereunder;

(8) the Trustee will not be liable for any action taken, suffered or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(9) in no event will the Trustee be responsible or liable for special, indirect or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

(10) the Trustee will not be required to take notice or be deemed to have notice of any default or Event of Default, except failure by the Company to pay or cause to be made any of the payments required to be made to the Trustee, unless a Responsible Officer of the Trustee shall receive written notice of such default or Event of Default from the Company or from the Holders of at least 25% in aggregate principal amount of the then Outstanding Subordinated Notes delivered to the Corporate Trust Office of the Trustee and in the absence of such notice so delivered the Trustee may conclusively assume no default or Event of Default exists;

(11) the Trustee shall have no duty to monitor or confirm compliance by the Company with the terms of this Indenture or any Subordinated Note;

(12) the Trustee shall not be bound to make any investigation into (i) the performance of or compliance with any of the covenants or agreements set forth herein, (ii) the occurrence of any default, or the validity, enforceability, effectiveness or genuineness of this Indenture or any other agreement, instrument or document;

(13) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified for all costs (including those of its retained professionals), are extended to, and will be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed or appointed to act hereunder;

(14) the Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions under this Indenture;

(15) the Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder;

(16) the Trustee shall not be liable or responsible for any calculation in connection with the transactions contemplated hereunder nor for any information used in connection with such calculation; and

(17) in no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of

profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 5.03 Notice of Defaults.

Within 90 days after a Responsible Officer of the Trustee is notified of the occurrence of any default hereunder with respect to the Subordinated Notes, the Trustee will deliver to all Holders entitled to receive reports in accordance with Section 6.03(4), notice of such default hereunder known to the Trustee, unless such default will have been cured or waived; *provided, however*, that, except in the case of a default in the payment of the principal of or interest, if any, on, any Subordinated Note, the Trustee will be protected in withholding such notice if and so long as the Board of Directors or a Responsible Officer of the Trustee in good faith determines that the withholding of such notice is in the best interest of the Holders. For the purpose of this Section, the term “default” means any event that is, or after notice or lapse of time or both would become, an Event of Default with respect to Subordinated Notes.

Section 5.04 Not Responsible for Recitals or Issuance of Subordinated Notes.

The recitals contained herein and in the Subordinated Notes, except the Trustee’s certificate of authentication, will be taken as the statements of the Company and neither the Trustee nor any Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Subordinated Notes, except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Subordinated Notes and perform its obligations hereunder and that the statements made by it in any Statement of Eligibility on Form T-1 supplied to the Company are true and accurate, subject to the qualifications set forth therein. Neither the Trustee nor any Authenticating Agent will be accountable for the use or application by the Company of the Subordinated Notes or the proceeds thereof. The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Subordinated Notes, it will not be accountable for the Company’s use of the proceeds from the Subordinated Notes or any money paid to the Company or upon the Company’s direction under any provision hereof, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Subordinated Notes or any other document in connection with the sale of the Subordinated Notes or under this Indenture other than its certificate of authentication.

Section 5.05 May Hold Subordinated Notes.

The Trustee, any Authenticating Agent, any Paying Agent, any Registrar or any other Person that may be an agent of the Trustee or the Company, in its individual or any other capacity, may become the owner or pledgee of Subordinated Notes and, subject to Section 310(b) and Section 311 of the Trust Indenture Act, may otherwise deal with the Company with the same rights that it would have if it were not Trustee, Authenticating Agent, Paying Agent, Registrar or such other Person.

The Trustee is subject to Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. A Trustee who has

resigned or been removed shall be subject to Section 311(a) of Trust Indenture Act to the extent indicated.

Section 5.06 Money Held in Trust.

Except as provided in Section 3.02(5), Section 3.03 and Section 9.03, money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law and will be held uninvested. The Trustee will be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Company.

Section 5.07 Compensation and Reimbursement.

The Company agrees:

(1) to pay to the Trustee from time to time compensation for all services rendered by the Trustee acting in any capacity hereunder (which compensation will not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee promptly upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of Trustee's agents, accountants, consultants, counsel and other experts employed by it in the exercise and performance of its powers and duties as Trustee), except any such expense, disbursement or advance as may be attributable to the Trustee's gross negligence or willful misconduct; and

(3) to indemnify, defend, protect and hold each of the Trustee acting in any capacity or any predecessor Trustee and their agents, accountants, consultants, counsel and other experts employed by it in the exercise and performance of its powers and duties as Trustee harmless from and against any and all losses, liabilities, damages, costs or expenses suffered or incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company and defending itself against any claim (whether asserted by the Company, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction, and the fees and disbursements of the Trustee's agents, legal counsel, accountants and experts) and including taxes (other than taxes based upon, measured by or determined by the income of the Trustee. The Trustee will notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company will not relieve the Company of its obligations hereunder. The Company will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Company will pay the reasonable fees and expenses of such counsel. None of the Company need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

The obligations of the Company under this Section 5.07 will survive the satisfaction and discharge of this Indenture.

As security for the performance of the obligations of the Company under this Section, the Trustee will have a lien prior to the Subordinated Notes upon all property and funds held or collected by the Trustee as such, except funds held in trust for the payment of principal of, or interest on, Subordinated Notes. Such lien will survive the satisfaction and discharge hereof and the resignation or removal of the Trustee.

Any compensation or expense incurred by the Trustee after a default specified by Section 4.01 is intended to constitute an expense of administration under any then applicable bankruptcy or insolvency law. "Trustee" for purposes of this Section 5.07 will include any predecessor Trustee, but the negligence or bad faith of any Trustee will not affect the rights of any other Trustee under this Section 5.07. The provisions of this Section 5.07 will, to the extent permitted by law, survive any termination of this Indenture (including, without limitation, termination in accordance with any Bankruptcy Laws) and the resignation or removal of the Trustee.

Section 5.08 Corporate Trustee Required; Eligibility.

(1) There will at all times be a Trustee hereunder that is a corporation, organized and doing business under the laws of the United States, any state thereof or the District of Columbia, eligible under Section 310(a)(1) of the Trust Indenture Act to act as trustee under an indenture qualified under the Trust Indenture Act and that has a combined capital and surplus (computed in accordance with Section 310(a)(2) of the Trust Indenture Act) of at least \$50,000,000 and is subject to supervision or examination by federal or state authority. The Trustee will also satisfy the requirements of Section 310(a)(5) of the Trust Indenture Act. If at any time the Trustee will cease to be eligible in accordance with the provisions of this Section, it will resign immediately upon written request therefor by the Company or any Holder in the manner and with the effect hereinafter specified in this Article,

(2) The Trustee will comply with Section 310(b) of the Trust Indenture Act; *provided, however*, that there will be excluded from the operation of Section 310(b)(1) of the Trust Indenture Act this Indenture or any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Company are outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the Trust Indenture Act are met.

Section 5.09 Resignation and Removal; Appointment of Successor.

(1) No resignation or removal of the Trustee and no appointment of a successor Trustee in accordance with this Article V will become effective until the acceptance of appointment by the successor Trustee in accordance with Section 5.10.

(2) The Trustee may resign at any time with respect to the Subordinated Notes by giving written notice thereof to the Company. If the instrument of acceptance by a successor Trustee required by Section 5.10 will not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may, at the Company's expense, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(3) The Trustee may be removed at any time with respect to the Subordinated Notes by Act of the Holders of a majority in principal amount of the Outstanding Subordinated Notes, delivered to the Trustee and the Company.

If at any time:

(a) the Trustee will fail to comply with the obligations imposed upon it under Section 310(b) of the Trust Indenture Act with respect to Subordinated Notes after written request therefor by the Company or any Holder who has been a bona fide Holder for at least six months,

(b) the Trustee will cease to be eligible under Section 5.08 and will fail to resign after written request therefor by the Company or any such Holder, or

(c) the Trustee will become incapable of acting or will be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property will be appointed or any public officer will take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Company, by or in accordance with a Board Resolution, may remove the Trustee with respect to the Subordinated Notes, or (ii) subject to Section 315(e) of the Trust Indenture Act, any Holder who has been a bona fide Holder for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Subordinated Notes and the appointment of a successor Trustee or Trustees.

(4) If the Trustee will resign, be removed or become incapable of acting, or if a vacancy will occur in the office of Trustee for any cause, with respect to the Subordinated Notes, the Company, by or in accordance with a Board Resolution, will promptly appoint a successor Trustee or Trustees with respect to the Subordinated Notes and will comply with the applicable requirements of Section 5.10. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Subordinated Notes shall have been appointed by Act of the Holders of a majority in principal amount of the Outstanding Subordinated Notes delivered to the Company and the retiring Trustee, the successor Trustee so appointed will, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 5.10, become the successor Trustee with respect to the Subordinated Notes and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Subordinated Notes will have been so appointed by the Company or the Holders and accepted appointment in the manner required by Section 5.10, any Holder who has been a bona fide Holder for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Subordinated Notes.

(5) The Company will give notice of each resignation and each removal of the Trustee with respect to the Subordinated Notes and each appointment of a successor Trustee with respect to the Subordinated Notes by delivering written notice of such event by first-class mail, postage prepaid, to the Holders as their names and addresses appear in the Subordinated Note Register. Each notice will include the name of the successor Trustee with respect to the Subordinated Notes and the address of its Corporate Trust Office.

(1) Upon the appointment hereunder of any successor Trustee with respect to all Subordinated Notes, such successor Trustee so appointed will execute, acknowledge and deliver to the Company and the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee will become effective and such successor Trustee, without any further act, deed or conveyance, will become vested with all the rights, powers, trusts and duties hereunder of the retiring Trustee; but, on the request of the Company or such successor Trustee, such retiring Trustee, upon payment of its charges, will execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and, subject to Section 9.03, will duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder, subject nevertheless to its claim, if any, provided for in Section 5.07.

(2) Upon the appointment hereunder of any successor Trustee with respect to the Subordinated Notes, the Company, the retiring Trustee and such successor Trustee will execute and deliver an indenture supplemental hereto wherein each successor Trustee will accept such appointment and which (i) will contain such provisions as will be necessary or desirable to transfer and confirm to, and to vest in, such successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Subordinated Notes, (ii) if the retiring Trustee is not retiring with respect to all Subordinated Notes, will contain such provisions as will be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Subordinated Notes will continue to be vested in the retiring Trustee, and (iii) will add to or change any of the provisions of this Indenture as will be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture will constitute such Trustees co-trustees of the same trust, that each such Trustee will be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee and that no Trustee will be responsible for any notice given to, or received by, or any act or failure to act on the part of any other Trustee hereunder, and, upon the execution and delivery of such supplemental indenture, the resignation or removal of the retiring Trustee will become effective to the extent provided therein, such retiring Trustee will have no further responsibility for the exercise of rights and powers or for the performance of the duties and obligations vested in the Trustee under this Indenture with respect to the Subordinated Notes other than as hereinafter expressly set forth, and such successor Trustee, without any further act, deed or conveyance, will become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Subordinated Notes; but, on request of the Company or such successor Trustee, such retiring Trustee, upon payment of its charges with respect to the Subordinated Notes and subject to Section 9.03 will duly assign, transfer and deliver to such successor Trustee, to the extent contemplated by such supplemental indenture, the property and money held by such retiring Trustee hereunder with respect to the Subordinated Notes, subject to its claim, if any, provided for in Section 5.07.

(3) Upon request of any Person appointed hereunder as a successor Trustee, the Company will execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in paragraph (1) or (2) of this Section, as the case may be.

(4) No Person will accept its appointment hereunder as a successor Trustee unless at the time of such acceptance such successor Person will be qualified and eligible under this Article. No resigning or removed Trustee shall have any liability or responsibility for the action or inaction of any successor Trustee.

Section 5.11 Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee will be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, will be the successor of the Trustee hereunder (provided that such corporation will otherwise be qualified and eligible under this Article), without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Subordinated Notes will have been authenticated but not delivered by the Trustee then in office, any such successor to such authenticating Trustee may adopt such authentication and deliver the Subordinated Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Subordinated Notes. In case any Subordinated Notes will not have been authenticated by such predecessor Trustee, any such successor Trustee may authenticate and deliver such Subordinated Notes in either its own name or that of its predecessor Trustee.

Section 5.12 Appointment of Authenticating Agent.

The Trustee may appoint one or more Authenticating Agents acceptable to the Company with respect to the Subordinated Notes which will be authorized to act on behalf of the Trustee to authenticate Subordinated Notes issued upon original issue, exchange, registration of transfer, partial redemption, partial repayment, or in accordance with Section 2.09, and Subordinated Notes so authenticated will be entitled to the benefits of this Indenture and will be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Subordinated Notes by the Trustee or the Trustee's certificate of authentication, such reference will be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent.

Each Authenticating Agent will be reasonably acceptable to the Company and, except as provided in or under this Indenture, will at all times be a corporation that would be permitted by the Trust Indenture Act to act as trustee under an indenture qualified under the Trust Indenture Act, is authorized under applicable law and by its charter to act as an Authenticating Agent and has a combined capital and surplus (computed in accordance with Section 310(a)(2) of the Trust Indenture Act) of at least \$50,000,000 and is subject to supervision or examination by federal or state authority. If at any time an Authenticating Agent will cease to be eligible in accordance with the provisions of this Section, it will resign immediately upon written request therefor by the Company or any Holder in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent will be a party, or any corporation succeeding

to all or substantially all of the corporate agency or corporate trust business of an Authenticating Agent, will be the successor of such Authenticating Agent hereunder, provided such corporation will be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent will cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent that will be acceptable to the Company and will deliver written notice of such appointment by first-class mail, postage prepaid, to all Holders with respect to which such Authenticating Agent will serve, as their names and addresses appear in the Subordinated Note Register. Any successor Authenticating Agent, upon acceptance of its appointment hereunder, will become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent will be appointed unless eligible under the provisions of this Section 5.12.

The Company agrees to pay each Authenticating Agent from time to time reasonable compensation for its services under this Section. If the Trustee makes such payments, it will be entitled to be reimbursed for such payments, subject to the provisions of Section 5.07.

The provisions of Section 2.11, Section 5.04 and Section 5.05 will be applicable to each Authenticating Agent.

If an Authenticating Agent is appointed under this Section, the Subordinated Notes may have endorsed thereon, in addition to or in lieu of the Trustee's certificate of authentication, an alternate certificate of authentication in substantially the following form:

HOLDERS LISTS AND REPORTS BY TRUSTEE AND COMPANY

Section 6.01 Holder Lists.

The Trustee will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of the Holders. If the Trustee is not the Registrar, the Company will cause to be furnished to the Trustee at least semiannually on January 1 and July 1 a listing of the Holders dated within 10 days of the date on which the list is furnished and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

Section 6.02 Preservation of Information; Communications to Holders.

The Trustee will comply with the obligations imposed upon it in accordance with Section 312 of the Trust Indenture Act.

Every Holder of Subordinated Notes, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company, the Trustee, any Paying Agent or any Registrar will be held accountable by reason of the disclosure of any such information as to the names and addresses of the Holders of Subordinated Notes in accordance with Section 312(c) of the Trust Indenture Act, regardless of the source from which such information was derived, and that the Trustee will not be held accountable by reason of delivering any material in accordance with a request made under Section 312(b) of the Trust Indenture Act.

Section 6.03 Reports by Trustee.

(1) Within 60 days after July 15 of each year commencing with the first July 15 following the date of this Indenture, if required by Section 313(a) of the Trust Indenture Act, the Trustee will transmit, in accordance with Section 313(c) of the Trust Indenture Act, a brief report dated as of such July 15 with respect to any of the events specified in said Section 313(a) and Section 313(b)(2) that may have occurred since the later of the immediately preceding July 15 and the date of this Indenture.

(2) The Trustee will transmit the reports required by Section 313(a) of the Trust Indenture Act at the times specified therein.

(3) The Trustee shall comply with Sections 313(b) and 313(c) of the Trust Indenture Act.

(4) Reports under this Section will be transmitted in the manner and to the Persons required by Section 313(c) and Section 313(d) of the Trust Indenture Act.

(1) The Company, in accordance with Section 314(a) of the Trust Indenture Act, will:

(a) file with the Trustee, within 15 days after the Company files the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) that the Company may be required to file with the Commission in accordance with Section 13 or Section 15(d) of the Exchange Act; or, if the Company is not required to file information, documents or reports in accordance with either of said Sections, then it will file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports that may be required in accordance with Section 13 of the Exchange Act in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(c) transmit to the Holders within 30 days after the filing thereof with the Trustee, in the manner and to the extent provided in Section 313(c) of the Trust Indenture Act, such summaries of any information, documents and reports required to be filed by the Company in accordance with paragraphs (1) and (2) of this Section as may be required by rules and regulations prescribed from time to time by the Commission. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

(2) The Company intends to file the reports referred to in Section 6.04(1) with the Commission in electronic form in accordance with Regulation S-T of the Commission using the Commission's Electronic Data Gathering, Analysis and Retrieval system. Compliance with the foregoing, or any successor electronic system approved by the Commission, will constitute delivery by the Company of such reports to the Trustee and Holders in compliance with the provision of Section 6.04(1) and Trust Indenture Act Section 314(a). Notwithstanding anything to the contrary herein, the Trustee will have no duty to search for or obtain any electronic or other filings that the Company makes with the Commission, regardless of whether such filings are periodic, supplemental or otherwise. Delivery of the reports, information and documents to the Trustee in accordance with this Section 6.04(2) will be solely for the purposes of compliance with Section 6.04(1) and with Trust Indenture Act Section 314(a). The Trustee's receipt of such reports, information and documents (whether or not filed in electronic form) is for informational purposes only and the Trustee's receipt of such will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the

As a condition to executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article VIII or the modifications thereby of the trust created by this Indenture, the Trustee will be entitled to receive, and (subject to Section 5.01) will be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel to the effect that the execution of such supplemental indenture is authorized or permitted by this Indenture, that such supplemental indenture has been duly authorized, executed and delivered by, and is a valid, binding and enforceable obligation of, the Company, subject to customary exceptions, and that, to the extent applicable pursuant to Section 8.01, such supplemental indenture does not adversely affect the interests of the Holders. The Trustee may, but will not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 8.04 Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article VIII, this Indenture will be modified in accordance therewith, and such supplemental indenture will form a part of this Indenture for all purposes; and every Holder theretofore or thereafter authenticated and delivered hereunder.

Section 8.05 Reference in Subordinated Notes to Supplemental Indentures.

Subordinated Notes authenticated and delivered after the execution of any supplemental indenture in accordance with this Article VIII may, and will if required by the Company, bear a notation in form approved by the Company as to any matter provided for in such supplemental indenture. If the Company will so determine, new Subordinated Notes so modified as to conform, in the opinion of the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Subordinated Notes.

Section 8.06 Effect on Senior Indebtedness.

No supplemental indenture will directly or indirectly modify or eliminate the Subordination Provisions or the definition of "Senior Indebtedness" applicable with respect to the Subordinated Notes in any manner that might terminate or impair the subordination of such Subordinated Notes to such Senior Indebtedness without the prior written consent of each of the holders of such Senior Indebtedness.

Every supplemental indenture executed in accordance with this Article will conform to the requirements of the Trust Indenture Act as then in effect.

ARTICLE IX
COVENANTS

Section 9.01

Payment of Principal and Interest.

The Company covenants and agrees for the benefit of the Holders that it will duly and punctually pay the principal of, and interest on, the Subordinated Notes, in accordance with the terms thereof and this Indenture. Principal and interest will be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 11:00 a.m., Eastern time, on the Business Day immediately prior to any Interest Payment Date, an amount in immediately available funds provided by the Company that is designated for and sufficient to pay all principal and interest then due. The Company will pay all Additional Interest, if any, on the dates and in the amounts set forth in the Registration Rights Agreement.

If Additional Interest is payable by the Company in accordance with the Registration Rights Agreement, the Company will deliver to the Trustee a certificate to that effect stating (i) the amount of such Additional Interest that is payable and (ii) the date on which such Additional Interest is payable. Unless and until a Responsible Officer of the Trustee receives such a certificate or instruction or direction from the Holders in accordance with the terms of this Indenture, the Trustee may assume without inquiry that no Additional Interest is payable. The foregoing will not prejudice the rights of the Holders with respect to their entitlement to Additional Interest as otherwise set forth in this Indenture or the Subordinated Notes and pursuing any action against the Company directly or otherwise directing the Trustee to take such action in accordance with the terms of this Indenture and the Subordinated Notes. If the Company has paid Additional Interest directly to persons entitled to it, the Company will deliver to the Trustee a certificate setting forth the particulars of such payment.

Section 9.02

Maintenance of Office.

The Company will maintain an office or agency in the City of Houston, Texas (which may be an office of the Trustee or an Affiliate of the Trustee or Registrar) where Subordinated Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Subordinated Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Subordinated Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided that no such designation or rescission will in any manner relieve the Company of its obligation to maintain an office or agency in

Houston. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 9.02.

Section 9.03 Money for Subordinated Notes Payments to Be Held in Trust.

If the Company will at any time act as its own Paying Agent, it will, on or before each due date of the principal of, or interest on, any of the Subordinated Notes, segregate and hold in trust for the benefit of the Persons entitled thereto a sum in Dollars sufficient to pay the principal and interest, as the case may be, so becoming due until such sums will be paid to such Persons or otherwise disposed of as herein provided, and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company will have one or more Paying Agents, it will, on or prior to each due date of the principal of, or interest on, any Subordinated Notes, deposit with any Paying Agent a sum in Dollars sufficient to pay the principal and interest, as the case may be, so becoming due, such sum to be held in trust for the benefit of the Persons entitled thereto, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent will agree with the Trustee, subject to the provisions of this Section that such Paying Agent will:

(1) hold all sums held by it for the payment of the principal of, or interest on, the Subordinated Notes in trust for the benefit of the Persons entitled thereto until such sums will be paid to such Persons or otherwise disposed of as provided in or under this Indenture;

(2) give the Trustee notice of any default by the Company in the making of any payment of principal, or interest on, the Subordinated Notes; and

(3) at any time during the continuance of any such default, upon the written request of the Trustee, pay to the Trustee all sums so held in trust by such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same terms as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent will be released from all further liability with respect to such sums.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, or interest on, any Subordinated Note and remaining unclaimed for two years after such principal or interest will have become due and payable will be paid to the Company upon a Company Request, or (if then held by the Company) will be discharged from such trust; and the Holder of such Subordinated Note will thereafter, as

an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease.

Section 9.04 Corporate Existence.

Subject to Article VII, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect (i) the corporate existence of the Company, (ii) the existence (corporate or otherwise) of each Significant Subsidiary and (iii) the rights (charter and statutory), licenses and franchises of the Company and each of its Significant Subsidiaries, including without limitation the Company's status as a bank holding company or financial holding company under the Bank Holding Company Act of 1956, as amended, and the Bank's status as an "insured depository institution" under Section 3(c)(2) of the Federal Deposit Insurance Act, as amended; provided, however, that the Company will not be required to preserve the existence (corporate or other) of any of its Significant Subsidiaries or any such right, license or franchise of the Company or any of its Significant Subsidiaries if the Board of Directors of the Company determines that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Significant Subsidiaries taken as a whole and that the loss thereof will not be disadvantageous in any material respect to the Holders. Subject to Article VII, the Company shall not take any action, omit to take any action or enter into any transaction that would have the effect of the Company owning less than one hundred percent (100%) of the capital stock of the Bank.

Section 9.05 Maintenance of Properties.

The Company will, and will cause each Significant Subsidiary to, cause all its properties used or useful in the conduct of its business to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Company may be necessary so that the business carried on in connection therewith may be properly and advantageously conducted at all times; *provided, however*, that nothing in this Section will prevent the Company or any Significant Subsidiary from discontinuing the operation and maintenance of any of their respective properties if such discontinuance is, in the judgment of the Board of Directors of the Company or of any Significant Subsidiary, as the case may be desirable in the conduct of its business.

Section 9.06 Dividends. The Company shall not declare or pay any dividend, except for dividends payable solely in shares of common stock of the Company, or make any distribution on capital stock or other equity securities of any kind of the Company, in each case except in such amounts as permitted by applicable regulations and only upon receipt of any required regulatory approval.

Section 9.07 Waiver of Certain Covenants.

The Company may omit in any particular instance to comply with any term, provision or condition set forth in Section 9.02 to Section 9.06, inclusive, with respect to the Subordinated Notes if before the time for such compliance the Holders of at least a majority in principal

amount of the Outstanding Subordinated Notes, by Act of such Holders, either will waive such compliance in such instance or generally will have waived compliance with such term, provision or condition, but no such waiver will extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver will become effective, the obligations of the Company and the duties of the Trustee in respect of any such term, provision or condition will remain in full force and effect.

Section 9.08 Company Statement as to Compliance.

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year, an Officers' Certificate covering the preceding calendar year, stating whether or not, to the best of his or her knowledge, the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to notice requirements or periods of grace) and if the Company will be in default, specifying all such defaults and the nature and status thereof of which he or she may have knowledge.

Section 9.09 Tier 2 Capital.

If all or any portion of the Subordinated Notes ceases to be deemed to be Tier 2 Capital, other than due to the limitation imposed on the capital treatment of subordinated debt during the five (5) years immediately preceding the Maturity Date of the Subordinated Notes, the Company will immediately notify the Trustee and the Holders thereof, and thereafter the Company and the Holders will work together in good faith, subject to the terms of this Indenture, to execute and deliver all agreements as reasonably necessary in order to restructure the applicable portions of the obligations evidenced by the Subordinated Notes to qualify as Tier 2 Capital and the Company shall request, subject to the terms of this Indenture, that the Trustee execute and deliver all such agreements as may be reasonably necessary in order to effect any restructuring agreed to by the Company and the Holders; *provided, however*, that nothing contained in this Section 9.09 shall limit the Company's right to redeem the Subordinated Notes upon the occurrence of a Tier 2 Capital Event pursuant to Section 10.01(3) hereof.

ARTICLE X
REDEMPTION OF SECURITIES

Section 10.01 Applicability of Article.

(1) Except as provided in this Section 10.01, the Subordinated Notes are not subject to redemption at the option of the Company. The Subordinated Notes are not subject to redemption at the option of the Holders.

(2) Subject to the receipt of any required regulatory approvals, with corresponding written notice to the Trustee, the Company may, at its option, on any Interest Payment Date on or after September 1, 2023, redeem all or a portion of the Subordinated Notes.

(3) Subject to the receipt of any required regulatory approvals, the Company may, at its option, redeem all, but not a portion of the Outstanding Subordinated Notes at any time upon an Investment Company Event, a Tax Event or a Tier 2 Capital Event.

(4) The Redemption Price with respect to any redemption permitted under this Indenture will be equal to 100% of the principal amount of the Subordinated Notes to be redeemed, plus accrued but unpaid interest and Additional Interest, if any, thereon to, but excluding, the Redemption Date.

Section 10.02 Election to Redeem; Notice to Trustee.

The election of the Company to redeem any Subordinated Notes will be evidenced by a Company Order. In case of any redemption of less than all of the Subordinated Notes, the Company will, at least 60 days prior to the Redemption Date fixed by the Company (unless a shorter notice will be satisfactory to the Trustee, but in any event not less than 45 days prior to the Redemption Date), notify the Trustee, of such Redemption Date and of the principal amount of Subordinated Notes to be redeemed.

In the case of any redemption of Subordinated Notes (i) prior to the expiration of any restriction on such redemption provided in the terms of such Subordinated Notes or elsewhere in this Indenture or (ii) in accordance with an election of the Company that is subject to a condition specified in the terms of such Subordinated Notes or elsewhere in this Indenture, the Company will furnish to the Trustee an Officers' Certificate evidencing compliance with such restriction or condition.

Section 10.03 Selection by Trustee of Subordinated Notes to be Redeemed.

If less than all of the Subordinated Notes are to be redeemed, the particular Subordinated Notes to be redeemed will be selected not more than 45 days prior to the Redemption Date by the Trustee from the Outstanding Subordinated Notes not previously called for redemption unless otherwise required by law or applicable depository requirements, on a pro rata basis as to the Holders and which may provide for the selection for redemption of portions of the principal amount of Subordinated Notes; *provided, however*, that no such partial redemption will reduce the portion of the principal amount of a Subordinated Note not redeemed to less than the minimum denomination for a Subordinated Note established in or under this Indenture. In the event a pro rata redemption is not permitted under applicable law or applicable depository requirements, the Subordinated Notes to be redeemed will be selected by lot or such method as the Trustee will deem fair and appropriate.

The Trustee will promptly notify the Company and the Registrar (if other than itself) in writing of the Subordinated Notes selected for redemption and, in the case of any Subordinated Notes selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Subordinated Notes will relate, in the case of any Subordinated Notes redeemed or to be redeemed only in part, to the portion of the principal of such Subordinated Notes which has been or is to be redeemed.

Section 10.04 Notice of Redemption.

Notice of redemption will be given in the manner provided in Section 1.05, not less than 30 nor more than 60 days prior to the Redemption Date to the Holders of Subordinated Notes to

be redeemed. Failure to give notice by delivering in the manner herein provided to the Holder of any Subordinated Notes designated for redemption as a whole or in part, or any defect in the notice to any such Holder, will not affect the validity of the proceedings for the redemption of any other Subordinated Notes or portions thereof.

Any notice that is delivered to the Holder of any Subordinated Notes in the manner herein provided will be conclusively presumed to have been duly given, whether or not such Holder receives the notice.

All notices of redemption will state:

- (1) the Redemption Date,
- (2) the Redemption Price,
- (3) if less than all Outstanding Subordinated Notes are to be redeemed, the identification (and, in the case of partial redemption, the principal amount) of the particular Subordinated Note or Subordinated Notes to be redeemed,
- (4) that, in case any Subordinated Note is to be redeemed in part only, on and after the Redemption Date, upon surrender of such Subordinated Note, the Holder of such Subordinated Note will receive, without charge, a new Subordinated Note or Subordinated Notes of authorized denominations for the principal amount thereof remaining unredeemed,
- (5) that, on the Redemption Date, the Redemption Price will become due and payable upon each such Subordinated Note or portion thereof to be redeemed, together (if applicable) with accrued and unpaid interest and Additional Interest, if any, thereon (subject, if applicable, to the provisos to the first paragraph of Section 10.06), and, if applicable, that interest thereon will cease to accrue on and after said date,
- (6) the place or places where such Subordinated Notes are to be surrendered for payment of the Redemption Price and any accrued interest pertaining thereto, and
- (7) the section hereunder providing for such redemption.

The notice of redemption shall include the CUSIP number reference numbers of such Subordinated Notes, if any (or any other numbers used by a Depository to identify such Subordinated Notes).

Notice of redemption of Subordinated Notes to be redeemed at the election of the Company will be given by the Company or, at the Company's request delivered at least 10 days before the date such notice is to be given (unless a shorter period will be acceptable to the Trustee), by the Trustee in the name and at the expense of the Company.

Section 10.05 Deposit of Redemption Price.

On or prior to 11:00 a.m., Eastern time, on any Redemption Date, the Company will deposit, with respect to the Subordinated Notes called for redemption in accordance with Section

10.04, with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 9.03) an amount sufficient to pay the Redemption Price of, and (except if the Redemption Date will be an Interest Payment Date) any accrued interest on, all such Subordinated Notes or portions thereof which are to be redeemed on that date.

Section 10.06 Subordinated Notes Payable on Redemption Date.

Notice of redemption having been given as provided above, the Subordinated Notes so to be redeemed will, on the Redemption Date, become due and payable at the Redemption Price therein specified, together with accrued and unpaid interest and Additional Interest, if any, thereon and from and after such date (unless the Company will default in the payment of the Redemption Price and accrued interest, if any) such Subordinated Notes will cease to bear interest. Upon surrender of any such Subordinated Note for redemption in accordance with said notice, such Subordinated Note will be paid by the Company at the Redemption Price, together with any accrued and unpaid interest and Additional Interest, if any, thereon to but excluding the Redemption Date; *provided, however*, that installments of interest on Subordinated Notes whose Stated Maturity is on or prior to the Redemption Date will be payable to the Holders of such Subordinated Notes registered as such on the Regular Record Dates therefor according to their terms and the provisions of Section 2.10.

If any Subordinated Note called for redemption will not be so paid upon surrender thereof for redemption, the principal, until paid, will bear interest from the Redemption Date at the rate prescribed therefor in the Subordinated Note or, if no rate is prescribed therefor in the Subordinated Note, at the rate of interest, if any, borne by such Subordinated Note.

Section 10.07 Subordinated Notes Redeemed in Part.

Any Subordinated Note which is to be redeemed only in part will be surrendered at any office or agency for such Subordinated Note (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing) and the Company will execute and the Trustee will authenticate and deliver to the Holder of such Subordinated Note without service charge, a new Subordinated Note or Subordinated Notes, containing identical terms and provisions, of any authorized denomination as requested by such Holder in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Subordinated Note so surrendered. If a Global Subordinated Note is so surrendered, the Company will execute, and the Trustee will authenticate and deliver to the Depository for such Global Subordinated Note as will be specified in the Company Order with respect thereto to the Trustee, without service charge, a new Global Subordinated Note in a denomination equal to and in exchange for the unredeemed portion of the principal of the Global Subordinated Note so surrendered.

Upon surrender of a Subordinated Note that is redeemed in part, the Company will issue and the Trustee will authenticate for the Holder at the expense of the Company a new Subordinated Note equal in principal amount to the unredeemed portion of the Subordinated Notes Note surrendered representing the same indebtedness to the extent not redeemed.

Notwithstanding anything in this Indenture to the contrary, only a Company Order and not an Opinion of Counsel or an Officers' Certificate of the Company is required for the Trustee to authenticate such new Subordinated Note.

ARTICLE XI
SUBORDINATION OF SECURITIES

Section 11.01 Agreement to Subordinate.

The Company, for itself, its successors and assigns, covenants and agrees, and each Holder of Subordinated Notes by the Holder's acceptance thereof, likewise covenants and agrees, that the payment of the principal of and interest on each and all of the Subordinated Notes is and will be expressly subordinated in right of payment to the prior payment in full of all Senior Indebtedness.

Section 11.02 Distribution of Assets.

(1) Upon any distribution of assets of the Company upon any termination, winding up, liquidation or reorganization of the Company, whether in bankruptcy, insolvency, reorganization or receivership proceedings or upon an assignment for the benefit of creditors or any other marshalling of the assets and liabilities of the Company or otherwise (subject to the power of a court of competent jurisdiction to make other equitable provision reflecting the rights conferred upon the Senior Indebtedness and the holders thereof with respect to the Subordinated Notes and the Holders thereof by a lawful plan of reorganization under applicable bankruptcy law):

(a) holders of all Senior Indebtedness will first be entitled to receive payment in full in accordance with the terms of such Senior Indebtedness of the principal thereof, premium, if any, and the interest due thereon (including interest accruing subsequent to the commencement of any proceeding for the bankruptcy or reorganization of the Company under any applicable bankruptcy, insolvency or similar law now or hereafter in effect) before the Holders of the Subordinated Notes are entitled to receive any payment upon the principal of or interest on indebtedness evidenced by the Subordinated Notes;

(b) any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to which the Holders would be entitled except for the provisions of this Article XI, including any such payment or distribution that may be payable or deliverable by reason of the payment of any other indebtedness of the Company being subordinated to the payment of the Subordinated Notes, will be paid by the liquidating trustee or agent or other Person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise, directly to the holders of Senior Indebtedness or their representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Indebtedness may have been issued, in accordance with the priorities then existing among holders of Senior Indebtedness for payment of the aggregate amounts remaining unpaid on account of the principal, premium, if any, and interest (including interest accruing subsequent to the commencement of any proceeding for the bankruptcy or reorganization of the Company under any applicable bankruptcy, insolvency or

similar law now or hereafter in effect) on the Senior Indebtedness held or represented by each, to the extent necessary to make payment in full of all Senior Indebtedness remaining unpaid, after giving effect to any concurrent payment or distribution to the holders of such Senior Indebtedness; it being understood that if the Holders fail to file a proper claim in the form required by any proceeding referred to in this Section 11.02(1)(b) prior to 30 days before the expiration of the time to file such claim or claims, then the holders of Senior Indebtedness are hereby authorized to file an appropriate claim or claims for and on behalf of the Holders, in the form required in any such proceeding; and

(c) in the event that, notwithstanding the foregoing, any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, including any such payment or distribution that may be payable or deliverable by reason of the payment of any other indebtedness of the Company being subordinate to the payment of the Subordinated Notes will be received by the Trustee or the Holders before all Senior Indebtedness is paid in full, such payment or distribution will be paid over to the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee, agent or other Person making payment of assets of the Company for all Senior Indebtedness remaining unpaid until all such Senior Indebtedness will have been paid in full, after giving effect to any concurrent payment or distribution to the holders of such Senior Indebtedness,

(2) Subject to the payment in full of all Senior Indebtedness, the Holders will be subrogated to the rights of the holders of Senior Indebtedness to receive payments or distributions of cash, property or securities of the Company applicable to the Senior Indebtedness until the principal of and interest on the Subordinated Notes will be paid in full and no such payments or distributions to holders of such Senior Indebtedness to which the Holders would be entitled except for the provisions hereof of cash, property or securities otherwise distributable to the holders of Senior Indebtedness will, as between the Company, its creditors, other than the holders of Senior Indebtedness, and the Holders, be deemed to be a payment by the Company to or on account of the Senior Indebtedness. It is understood that the provisions of this Article XI are intended solely for the purpose of defining the relative rights of the Holders of the Subordinated Notes, on the one hand, and the holders of Senior Indebtedness, on the other hand. Nothing contained in this Article XI or elsewhere in this Indenture or any supplemental indenture issued in accordance with Article VIII of this Indenture or in the Subordinated Notes is intended to or will impair, as between the Company, its creditors, other than the holders of Senior Indebtedness, and the Holders, the obligation of the Company, which is unconditional and absolute, to pay to the Holders the principal of and interest on the Subordinated Notes as and when the same will become due and payable in accordance with their terms or to affect the relative rights of the Holders and creditors of the Company, other than the holders of the Senior Indebtedness, nor, except as otherwise expressly provided in this Indenture and the Subordinated Notes with respect to the limitation on the rights of the Trustee and the Holders, to accelerate the maturity of the Subordinated Notes and pursue remedies upon such an acceleration, will anything herein or in the Subordinated Notes prevent the Trustee or any Holder from exercising all remedies otherwise permitted by applicable law upon any Event of Default under the Indenture occurring, subject to the rights, if any, under this Article XI of the holders of Senior Indebtedness, in respect of cash, property or securities of the Company received upon the exercise of any such remedy. Upon any payment or distribution of assets of the Company referred to in this Article XI, the Trustee and the Holders will be entitled to rely upon any order

or decree of a court of competent jurisdiction in which such termination, winding up, liquidation or reorganization proceeding is pending or upon a certificate of the liquidating trustee or agent or other Person making any distribution to the Trustee or to the Holders for the purpose of ascertaining the Persons entitled to participate in such distribution, the holders of the Senior Indebtedness and other indebtedness of the Company, the amount hereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article XI. In the absence of any such liquidating trustee, agent or other person, the Trustee will be entitled to rely upon a written notice by a Person representing itself to be a holder of Senior Indebtedness (or a trustee or representative on behalf of such holder) as evidence that such Person is a holder of Senior Indebtedness (or is such a trustee or representative). If the Trustee determines, in good faith, that further evidence is required with respect to the right of any Person, as a holder of Senior Indebtedness, to participate in any payment or distribution in accordance with this Article XI, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Indebtedness held by such Person, as to the extent to which such Person is entitled to participation in such payment or distribution, and as to other facts pertinent to the rights of such Person under this Article XI, and if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

With respect to the holders of Senior Indebtedness, the Trustee undertakes to perform or to observe only such of its covenants and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations with respect to the holders of Senior Indebtedness will be read into this Indenture against the Trustee. The Trustee, however, will not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness by reason of the execution of this Indenture, or any other supplemental indenture entered into in accordance with Article VIII of this Indenture, and will not be liable to any such holders if it will in good faith mistakenly pay over or distribute to or on behalf of the Holders or the Company moneys or assets to which any holders of Senior Indebtedness will be entitled by virtue of this Article XI or otherwise.

Section 11.03 Default With Respect to Senior Indebtedness.

In the event and during the continuation of any default in the payment of principal of, or premium, if any, or interest on, any Senior Indebtedness, beyond any applicable grace period, or if any event of default with respect to any Senior Indebtedness will have occurred and be continuing, or would occur as a result of the payment referred to hereinafter, permitting the holders of such Senior Indebtedness (or a trustee on behalf of the holders thereof) to accelerate the maturity thereof, then, unless and until such default or event of default will have been cured or waived or will have ceased to exist, no payment or principal of or interest on the Subordinated Notes, or in respect of any retirement, purchase or other acquisition of any of the Subordinated Notes, will be made by the Company.

Section 11.04 No Impairment.

Nothing contained in this Indenture, any other supplemental indenture entered into in accordance with Article VIII of this Indenture, or in any of the Subordinated Notes will: (i) impair, as between the Company and the Holders, the obligations of the Company, to make, or

prevent the Company from making, at any time except as provided in Section 11.02 and Section 11.03, payments of principal of, or interest (including interest accruing subsequent to the commencement of any proceeding for the bankruptcy or reorganization of the Company under any applicable bankruptcy, insolvency, or similar law now or hereafter in effect) on, the Subordinated Notes, as and when the same will become due and payable in accordance with the terms of the Subordinated Notes; (ii) affect the relative rights of the Holders and creditors of the Company other than the holders of the Senior Indebtedness; (iii) except as otherwise expressly provided in this Indenture and the Subordinated Notes with respect to the limitation on the rights of the Trustee and the Holders, to accelerate the maturity of the Subordinated Notes and pursue remedies upon such an acceleration, prevent the Holder of any Subordinated Notes or the Trustee from exercising all remedies otherwise permitted by applicable law upon default thereunder, subject to the rights, if any, under this Article XI of the holders of Senior Indebtedness in respect of cash, property or securities of the Company received upon the exercise of such remedy; or (iv) prevent the application by the Trustee or any Paying Agent of any moneys deposited with it hereunder to the payment of or on account of the principal of, or interest on, the Subordinated Notes or prevent the receipt by the Trustee or any Paying Agent of such moneys, if, prior to the third Business Day prior to such deposit, the Trustee or such Paying Agent did not have written notice of any event prohibiting the making of such deposit by the Company.

Section 11.05 Effectuation of Subordination Provisions.

Each Holder by his acceptance of any Notes authorizes and expressly directs the Trustee on such Holder's behalf to take such action as may be necessary or appropriate to effectuate the Subordination Provisions, and appoints the Trustee such Holder's attorney-in-fact for such purposes, including, in the event of any termination, winding up, liquidation or reorganization of the Company (whether in bankruptcy, insolvency, receivership, reorganization or similar proceedings or upon an assignment for the benefit of creditors by the Company, a marshalling of the assets and liabilities of the Company or otherwise) tending toward the liquidation of the property and assets of the Company, the filing of a claim for the unpaid balance of the Subordinated Notes in the form required in those proceedings.

Section 11.06 Notice to Trustee.

The Company will give prompt written notice to the Trustee of any fact known to the Company that would prohibit the Company from making any payment to or by the Trustee in respect of the Subordinated Notes in accordance with the provisions of this Article XI. The Trustee will not be charged with the knowledge of the existence of any default or event of default with respect to any Senior Indebtedness or of any other facts that would prohibit the making of any payment to or by the Trustee or any Paying Agent unless and until a Responsible Officer of the Trustee has received a written notice specifying such default, event of default or other facts signed by an Authorized Officer, or by a holder of Senior Indebtedness or a trustee or agent thereof; and prior to the receipt of any such written notice, the Trustee will, subject to Article V of this Indenture, be entitled to assume that no such facts exist; provided that, if the Trustee will not have received the notice provided for in this Section 11.06 at least two Business Days prior to the date upon which, by the terms of the Indenture, any monies will become payable for any purpose (including, without limitation, the payment of the principal of or interest on any Subordinated Note), then, notwithstanding anything herein to the contrary, the Trustee

will have full power and authority to receive any monies from the Company and to apply the same to the purpose for which they were received, and will not be affected by any notice to the contrary that may be received by it on or after such prior date except for an acceleration of the Subordinated Notes prior to such application. The foregoing will not apply if the Paying Agent is the Company. The Trustee will be entitled to rely on the delivery to it of a written notice by a Person representing himself or itself to be a holder of any Senior Indebtedness (or a trustee on behalf of, or agent of, such holder) to establish that such notice has been given by a holder of such Senior Indebtedness or a trustee or agent on behalf of any such holder.

In the event that the Trustee determines in good faith that any evidence is required with respect to the right of any Person as a holder of Senior Indebtedness to participate in any payment or distribution in accordance with this Article XI, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article XI and, if such evidence is not furnished to the Trustee, the Trustee may defer any payment to such Person pending such evidence being furnished to the Trustee or a judicial determination that such Person has the right to receive such payment.

Section 11.07 Trustee Knowledge of Senior Indebtedness.

Notwithstanding the provisions of this Article XI or any other provisions of this Indenture or any other supplemental indenture issued in accordance with Article VIII of this Indenture, neither the Trustee nor any Paying Agent will be charged with knowledge of the existence of any Senior Indebtedness or of any event that would prohibit the making of any payment of moneys to or by the Trustee or such Paying Agent, unless and until a Responsible Officer of the Trustee or such Paying Agent has received written notice thereof from the Company or from the holder of any Senior Indebtedness or from the representative of any such holder.

Section 11.08 Senior Indebtedness to Trustee.

The Trustee will be entitled to all of the rights set forth in this Article XI in respect of any Senior Indebtedness at any time held by it in its individual capacity to the same extent as any other holder of such Senior Indebtedness, and nothing in this Indenture or any other supplemental indenture issued in accordance with Article VIII of this Indenture will be construed to deprive the Trustee of any of its rights as such holder.

Section 11.09 Subordination Not Applicable to Trustee Compensation.

Nothing contained in this Article XI will apply to the claims of, or payments to, the Trustee under Section 5.07 of this Indenture.

The Trustee hereby accepts the trusts in this Indenture upon the terms and conditions set forth herein.

RBB BANCORP**6.180% FIXED-TO-FLOATING RATE SUBORDINATED NOTE DUE 2028**

THIS OBLIGATION IS NOT A DEPOSIT AND IS NOT INSURED BY THE FEDERAL DEPOSIT INSURANCE CORPORATION OR ANY OTHER GOVERNMENT AGENCY OR FUND.

1. **Indenture; Holders.** This Subordinated Note is one of a duly authorized issue of notes of RBB Bancorp, a California corporation (the “Company”), designated as the “6.180% Fixed-to-Floating Rate Subordinated Notes due 2028” (the “Subordinated Notes”) in an aggregate principal amount of \$[●] and initially issued on November 29, 2018. The Company has issued this Subordinated Note under that certain Indenture dated as of November 29, 2018, as the same may be amended or supplemented from time to time (“Indenture”), between the Company and UMB Bank, N.A., a national banking association, as Trustee. All capitalized terms not otherwise defined in this Subordinated Note will have the meanings assigned to them in the Indenture. The terms of this Subordinated Note include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”). This Subordinated Note is subject to all such terms, and the Holder (as defined below) is referred to the Indenture and the Trust Indenture Act for a statement of such terms. To the extent any provision of this Subordinated Note irreconcilably conflicts with the express provisions of the Indenture, the provisions of the Indenture will govern and be controlling.

2. **Payment.** The Company, for value received, promises to pay to Cede & Co., or its registered assigns (the “Holder”), as nominee of the DTC, the principal sum of [●] MILLION DOLLARS (U.S.) (\$[●]), plus accrued but unpaid interest on December 1, 2028 (“Stated Maturity”) and to pay interest thereon (i) from and including the original issue date of the Subordinated Notes to but excluding December 1, 2023, at the rate of 6.180% per annum, computed on the basis of a 360-day year consisting of twelve 30-day months and payable semi-annually in arrears on June 1 and December 1 of each year (each, a “Fixed Interest Payment Date”), beginning June 1, 2019, and (ii) from and including December 1, 2023 to but excluding the Stated Maturity or the early redemption date contemplated by Section 5 of this Subordinated Note, at the rate per annum, reset quarterly, equal to LIBOR determined on the LIBOR Determination Date (as defined below) of the applicable Interest Period plus 315 basis points, computed on the basis of a 360-day year and the actual number of days elapsed and payable quarterly in arrears on March 1, June 1, September 1 and December 1 of each year (each, a “Floating Interest Payment Date”). The Company will pay all Additional Interest (as defined in the Indenture), if any, on the dates and in the amounts set forth in the Registration Rights Agreement (as defined in the Indenture). An “Interest Payment Date” is either a Fixed Interest Payment Date or a Floating Interest Payment Date, as applicable. “LIBOR” means, with respect to any Interest Period, the rate for deposits in US dollars for the three-month period which appears on Bloomberg screen HP US0003M (as defined below) at approximately 11:00 a.m., London time, on the applicable LIBOR Determination Date; provided,

however, that if the three-month USD LIBOR is less than zero then the three-month USD LIBOR shall be deemed to be zero. Notwithstanding the foregoing: if at any time while any Subordinated Notes are outstanding, the calculation agent determines on the applicable LIBOR Determination Date (as defined below) that LIBOR has been discontinued, then the calculation agent will use, following consultation with the Company, for each LIBOR Determination Date, the substitute or successor reference rate for LIBOR that has been selected by a central bank, reserve bank, monetary authority or any similar institution (including any committee or working group thereof) and whose use is consistent with then-accepted market practice for debt obligations such as the Subordinated Notes (the “Alternative Rate”) and may, after consultation with the Company, determine what business day convention to use, the definition of business day, the reference rate determination date to be used and any other relevant methodology for calculating such substitute or successor reference rate, including any adjustment factor needed to make such Alternative Rate comparable to the LIBOR in a manner that is consistent with industry-accepted practices for the use of such Alternative Rate for debt obligations such as the Subordinated Notes. However, if the calculation agent determines, following consultation with the Company and the holders of the Subordinated Notes, that there is no clear market consensus as to whether any rate has replaced LIBOR in customary market usage, the Company will use reasonable endeavors to appoint in its sole discretion an independent financial advisor to determine an appropriate substitute reference rate, and the decision of the independent financial advisor will be binding on the Company, the calculation agent and the holders of the Subordinated Notes. If the Company is unable to appoint an independent financial advisor, or the independent financial advisor appointed by it fails to determine an appropriate substitute reference rate, then the Company (in consultation with the calculation agent and the holders of the Subordinated Notes to the extent practicable) may determine in good faith a substitute reference rate for purposes of determining the rate of interest for the applicable Interest Period; provided, however, that if the Company is unable or unwilling to determine a substitute reference rate prior to a LIBOR Determination Date in accordance with the immediately preceding clause, the rate of interest will be equal to the rate of interest in effect with respect to the immediately preceding LIBOR Determination Date or, in the case of the initial LIBOR Determination Date, the rate of interest will be equal to 6.180%; provided further, however, that if the Company is notified by Holders of a majority of the Subordinated Notes within five (5) business days after the receipt by all Holders of notice of such Alternative Rate selection that such Holders reasonably believe that such Alternative Rate is not consistent with the successor for LIBOR, including any spread adjustments, generally used in quarterly pay floating rate obligations, then the Alternative Rate shall be the rate selected by the Holders of majority of the Subordinated Notes, each using their commercially reasonable judgment in identifying an alternative rate that is consistent with the successor for LIBOR, including any spread adjustments, generally used in quarterly pay floating rate obligations. In the event the Holders of a majority of the Subordinated Notes cannot reach agreement on such Alternative Rate within fifteen (15) business days of the Company’s notification of its proposed Alternative Rate under this Section, the Alternative Rate shall be the rate identified by the Holder of the largest principal amount of Subordinated Notes, selected based on such Holder’s commercially reasonable judgment as to the an alternative rate that is consistent with the successor for LIBOR, including any spread adjustments, generally used in quarterly pay floating rate obligations. The Company will appoint an independent calculation agent for the Subordinated Notes prior to the commencement of the floating interest rate period; provided, however, the holders of a majority in principal amount of the then Outstanding Subordinated Notes may replace the calculation agent. The Company may

not appoint an affiliate of it as calculation agent. “Bloomberg screen HP US0003M” means the display page currently so designated on the Bloomberg screen HP US0003M (or such other service as may be nominated by the ICE Benchmark Administration Limited (“ICE”) or its successor, or such other entity assuming the responsibility of ICE or its successor in the event ICE or its successor no longer does so, as the successor service, for the purpose of displaying London interbank offered rates for US dollar deposits of major banks). “LIBOR Determination Date” means the second London Banking Day (as defined below) immediately preceding the first day of the relevant Interest Period. “London Banking Day” means any day on which dealings in deposits in US dollars are transacted in the London interbank market. In determining LIBOR during a particular Interest Period, the calculation agent may obtain rate quotes from various banks or dealers active in the relevant market. Those reference banks and dealers may include the calculation agent itself and the Company’s affiliates.

Any payment of principal of or interest on this Subordinated Note that would otherwise become due and payable on a day which is not a Business Day will become due and payable on the next succeeding Business Day, with the same force and effect as if made on the date for payment of such principal or interest, and no interest will accrue in respect of such payment for the period after such day.

The Company will pay interest on this Subordinated Note to the Person who is the registered Holder at the close of business on the fifteenth calendar day prior to the applicable Interest Payment Date, except as provided in Section 2.10 of the Indenture with respect to Defaulted Interest. This Subordinated Note will be payable as to principal and interest at the office or agency of the Paying Agent, or, at the option of the Company, payment of interest may be made by check delivered to the Holder at its address set forth in the Subordinated Note Register or by wire transfer to an account appropriately designated by the Person entitled to payment; provided, that the Paying Agent will have received written notice of such account designation at least five Business Days prior to the date of such payment (subject to surrender of this Subordinated Note in the case of a payment of interest at Maturity).

3. Paying Agent and Registrar. UMB Bank, N.A., a national banking association, the Trustee (“Trustee”) under the Indenture, will act as the initial Paying Agent and Registrar through its offices presently located at 555 San Felipe, Suite 870, Houston, Texas 77056, Attn: Mauri Cowen, Senior Vice President. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

4. Subordination. The indebtedness of the Company evidenced by this Subordinated Note, including the principal thereof and interest thereon, is, to the extent and in the manner set forth in the Indenture, subordinate and junior in right of payment to obligations of the Company constituting the Senior Indebtedness (as defined in the Indenture) on the terms and subject to the terms and conditions as provided and set forth in Article XI of the Indenture and will rank *pari passu* in right of payment with all other Subordinated Notes. Holder, by the acceptance of this Subordinated Note, agrees to and will be bound by such provisions of the Indenture and authorizes and directs the Trustee on his behalf to take such actions as may be necessary or appropriate to effectuate the subordination so provided.

5. Redemption.

(a) The Company may, at its option, on any Interest Payment Date on or after December 1, 2023, redeem this Subordinated Note, in whole or in part, without premium or penalty, but in all cases in a principal amount with integral multiples of \$1,000. In addition, the Company may redeem all, but not a portion of the Subordinated Notes, at any time upon the occurrence of a Tier 2 Capital Event, Tax Event or an Investment Company Event. Any redemption of this Subordinated Note shall be subject to the prior approval of the Board of Governors of the Federal Reserve System (or its designee) or any successor agency, and any other banking regulatory agency, to the extent such approval shall then be required by law, regulation or policy. This Subordinated Note is not subject to redemption at the option of the Holder. The Redemption Price with respect to any redemption permitted under this Indenture will be equal to 100% of the principal amount of this Subordinated Note, or portion thereof, to be redeemed, plus accrued but unpaid interest and Additional Interest, if any, thereon to, but excluding, the Redemption Date.

(b) If less than the then outstanding principal amount of this Subordinated Note is redeemed, (i) a new note shall be issued representing the unredeemed portion without charge to the Holder thereof and (ii) such redemption shall be effected on a pro rata basis as to the Holders. For purposes of clarity, upon a partial redemption, a like percentage of the principal amount of every Subordinated Note held by every Holder shall be redeemed.

(c) Effectiveness of Redemption. If notice of redemption has been duly given and notwithstanding that any Subordinated Notes so called for redemption have not been surrendered for cancellation, on and after the Redemption Date interest shall cease to accrue on all Subordinated Notes so called for redemption, all Subordinated Notes so called for redemption shall no longer be deemed outstanding and all rights with respect to such Subordinated Notes shall forthwith on such Redemption Date cease and terminate (unless the Company shall default in the payment of the redemption price), except only the right of the Holder thereof to receive the amount payable on such redemption, without interest.

6. Events of Default; Acceleration. An “Event of Default” means any one of the events described in Section 4.01 of the Indenture. If an Event of Default described in Section 4.01(1) or Section 4.01(2) of the Indenture occurs, then the principal amount of all of the Outstanding Subordinated Notes, and accrued and unpaid interest, if any, on all Outstanding Subordinated Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or the Holder, and the Company waives demand, presentment for payment, notice of nonpayment, notice of protest, and all other notices. Notwithstanding the foregoing, because the Company will treat the Subordinated Notes as Tier 2 Capital, upon the occurrence of an Event of Default other than an Event of Default described in Section 4.01(1) or Section 4.01(2) of the Indenture, neither the Trustee nor the Holder may accelerate the Maturity of the Subordinated Notes and make the principal of, and any accrued and unpaid interest on, the Subordinated Notes, immediately due and payable. If any Event of Default occurs and is continuing, the Trustee may also pursue any other available remedy to collect the payment of principal of, and interest on, the Subordinated Notes then due and payable or to enforce the performance of any provision of the Subordinated Notes or the Indenture.

7. Failure to Make Payments. If the Company fails to make any payment of interest on this Subordinated Note when such interest becomes due and payable and such default continues for a period of 30 days, or if the Company fails to make any payment of the principal of this

Subordinated Note when such principal becomes due and payable, the Company will, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder, the whole amount then due and payable with respect to this Subordinated Note, with interest upon the overdue principal, any premium and, to the extent permitted by applicable law, upon any overdue installments of interest at the rate or respective rates, as the case may be, provided for or with respect to this Subordinated Note or, if no such rate or rates are so provided, at the rate or respective rates, as the case may be, of interest borne by this Subordinated Note.

Upon an Event of Default, the Company may not declare or pay any dividends or distributions on, or redeem, purchase, acquire, or make a liquidation payment with respect to, any of the Company's capital stock, make any payment of principal or interest or premium, if any, on or repay, repurchase or redeem any debt securities of the Company that rank equal with or junior to this Subordinated Note, or make any payments under any guarantee that ranks equal with or junior to this Subordinated Note, other than: (i) any dividends or distributions in shares of, or options, warrants or rights to subscribe for or purchase shares of, any class of Company's common stock; (ii) any declaration of a dividend in connection with the implementation of a shareholders' rights plan, or the issuance of stock under any such plan in the future, or the redemption or repurchase of any such rights pursuant thereto; (iii) as a result of a reclassification of Company's capital stock or the exchange or conversion of one class or series of Company's capital stock for another class or series of Company's capital stock; (iv) the purchase of fractional interests in shares of Company's capital stock in accordance with the conversion or exchange provisions of such capital stock or the security being converted or exchanged; or (v) purchases of any class of Company's common stock related to the issuance of common stock or rights under any of benefit plans for Company's directors, officers or employees or any of Company's dividend reinvestment plans.

8. Denominations, Transfer, Exchange. The Subordinated Notes are issuable only in registered form without interest coupons in minimum denominations of \$1,000 and integral multiples of \$1,000 in excess thereof. The transfer of this Subordinated Note may be registered and this Subordinated Note may be exchanged as provided in the Indenture. The Registrar may require the Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require the Holder to pay any taxes and fees required by law or permitted by the Indenture.

9. Charges and Transfer Taxes. No service charge will be made for any registration of transfer or exchange of this Subordinated Note, or any redemption or repayment of this Subordinated Note, or any conversion or exchange of this Subordinated Note for other types of securities or property, but the Company may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges that may be imposed in connection with the transfer or exchange of this Subordinated Note from the Holder requesting such transfer or exchange.

10. Persons Deemed Owners. The Company and the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Subordinated Note is registered as the owner hereof for all purposes, whether or not this Subordinated Note is overdue, and neither the Company, the Trustee nor any such agent will be affected by notice to the contrary.

11. Amendments; Waivers. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Subordinated Notes at any time by the Company and the Trustee with the consent of the holders of a majority in principal amount of the then Outstanding Subordinated Notes. The Indenture also contains provisions permitting the holders of specified percentages in principal amount of the then Outstanding Subordinated Notes, on behalf of the holders of all Subordinated Notes, to waive certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Subordinated Note will be conclusive and binding upon such Holder and upon all future holders of this Subordinated Note and of any Subordinated Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Subordinated Note.

12. No Impairment. No reference herein to the Indenture and no provision of this Subordinated Note or of the Indenture will alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest (if any) and Additional Interest on this Subordinated Note at the times, place and rate as herein prescribed.

13. Sinking Fund; Convertibility. This Subordinated Note is not entitled to the benefit of any sinking fund. This Subordinated Note is not convertible into or exchangeable for any of the equity securities, other securities or assets of the Company or any Subsidiary.

14. No Recourse Against Others. No recourse under or upon any obligation, covenant or agreement contained in the Indenture or in this Subordinated Note, or for any claim based thereon or otherwise in respect thereof, will be had against any past, present or future shareholder, employee, officer, or director, as such, of the Company or of any predecessor or successor, either directly or through the Company or any predecessor or successor, under any rule of law, statute or constitutional provision or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such liability being expressly waived and released by the acceptance of this Subordinated Note by the Holder and as part of the consideration for the issuance of this Subordinated Note.

15. Authentication. This Subordinated Note will not be valid until authenticated by the manual signature of the Trustee or an Authenticating Agent.

16. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= custodian), and U/G/M/A (= Uniform Gifts to Minors Act). Additional abbreviations may also be used though not in the above list.

17. Available Information. The Company will furnish to the Holder upon written request and without charge a copy of the Indenture. Requests by Holder to the Company may be made to: RBB Bancorp, 660 S. Figueroa Street, Suite 1888, Los Angeles, CA 90017, Attention: Chief Financial Officer.

18. Governing Law. THIS SUBORDINATED NOTE WILL BE DEEMED TO BE A CONTRACT MADE UNDER THE LAWS OF THE STATE OF NEW YORK AND WILL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO ANY LAWS OR PRINCIPLES OF CONFLICT OF LAWS THAT WOULD APPLY THE LAWS OF A DIFFERENT JURISDICTION.

Company is duly qualified as a foreign corporation to transact business and is in good standing in each other jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure so to qualify or to be in good standing would not result in a Material Adverse Effect. Company is duly registered as a bank holding company under the Bank Holding Company Act of 1956, as amended.

4.1.1.2 Each Subsidiary of the Company has been duly organized and is validly existing as a corporation or limited liability company, or, in the case of the Bank, has been duly chartered and is validly existing as a California commercial bank, in each case in good standing under the laws of the jurisdiction of its incorporation or organization, has corporate power and authority to own, lease and operate its properties and to conduct its business and is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure so to qualify or to be in good standing would not result in a Material Adverse Effect. All of the issued and outstanding shares of capital stock or other equity interests in each Subsidiary of the Company have been duly authorized and validly issued, are fully paid and non-assessable and are owned by Company, directly or through Subsidiaries, free and clear of any security interest, mortgage, pledge, lien, encumbrance or claim; none of the outstanding shares of capital stock of, or other equity interests in, any Subsidiary were issued in violation of the preemptive or similar rights of any securityholder of such Subsidiary of the Company or any other entity.

4.1.1.3 Bank is a California commercial bank. The deposit accounts of Bank are insured by the FDIC up to applicable limits. Neither Company nor Bank has received any notice or other information indicating that Bank is not an “insured depository institution” as defined in 12 U.S.C. Section 1813, nor has any event occurred which could reasonably be expected to adversely affect the status of Bank as an FDIC-insured institution.

4.1.2 **Capital Stock and Related Matters.** All of the outstanding capital stock of Company has been duly authorized and validly issued and is fully paid and nonassessable. There are, as of the date hereof, no outstanding options, rights, warrants or other agreements or instruments obligating Company to issue, deliver or sell, or cause to be issued, delivered or sold, additional shares of the capital stock of Company or obligating Company to grant, extend or enter into any such agreement or commitment to any Person other than Company except pursuant to Company’s equity incentive plans duly adopted by Company’s Board of Directors.

No Impediment to Transactions.**4.2.1**

Transaction is Legal and Authorized. The issuance of the Subordinated Notes pursuant to the Indenture, the borrowing of the aggregate of the Subordinated Note Amounts, the execution of the Transaction Documents and compliance by Company with all of the provisions of the Transaction Documents are within the corporate and other powers of Company.

4.2.2

Agreement, Indenture and Registration Rights Agreement. This Agreement, the Indenture and the Registration Rights Agreement have been duly authorized, executed and delivered by Company, and, assuming due authorization, execution and delivery by the other parties thereto, including the Trustee for purposes of the Indenture, are the legal, valid and binding obligations of Company, enforceable in accordance with their terms, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting creditors' rights generally or by general equitable principles.

4.2.3

Subordinated Notes. The Subordinated Notes have been duly authorized by Company and when executed by Company and completed and authenticated by the Trustee in accordance with, and in the forms contemplated by, the Indenture and issued, delivered to and paid for as provided in this Agreement, will have been duly issued under the Indenture and will constitute legal, valid and binding obligations of Company, entitled to the benefits of the Indenture, and enforceable in accordance with their terms, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting creditors' rights generally or by general equitable principles. When executed and delivered, the Subordinated Notes will be substantially in the form attached as an exhibit to the Indenture.

4.2.4

Exemption from Registration. Neither the Company, nor any of its Subsidiaries or Affiliates, nor any Person acting on its or their behalf, has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Subordinated Notes. Assuming the accuracy of the representations and warranties of each Purchaser set forth in this Agreement, the Subordinated Notes will be issued in a transaction exempt from the registration requirements of the Securities Act. No "bad actor" disqualifying event described in Rule 506(d)(1)(i)-(viii) of the Securities Act (a "**Disqualification Event**") is applicable to the Company or, to the Company's knowledge, any Person described in Rule 506(d)(1) (each, a "**Company Covered Person**"). The Company has exercised reasonable care to determine whether any Company Covered Person is subject to a Disqualification Event. The Company has complied, to the extent applicable, with its disclosure obligations under Rule 506(e).

4.2.5

No Defaults or Restrictions. Neither the execution and delivery of the Transaction Documents nor compliance with their respective terms and conditions will (whether with or without the giving of notice or lapse of time or both) (i) violate, conflict with or result in a breach of, or constitute a default under: (1) the Articles of Incorporation or Bylaws, as amended, of Company; (2) any of the terms, obligations, covenants, conditions or provisions of any corporate restriction or of any contract, agreement, indenture, mortgage, deed of trust, pledge, bank loan or credit agreement, or any other agreement or instrument to which Company or Bank, as applicable,

is now a party or by which it or any of its properties may be bound or affected; (3) any judgment, order, writ, injunction, decree or demand of any court, arbitrator, grand jury, or Governmental Agency; or (4) any statute, rule or regulation applicable to Company, *except*, in the case of items (2), (3) or (4), for such violations and conflicts that would not reasonably be expected to have, singularly or in the aggregate, a Material Adverse Effect on Company, or (ii) result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any property or asset of Company or Bank. Neither Company nor Bank is in default in the performance, observance or fulfillment of any of the terms, obligations, covenants, conditions or provisions contained in any indenture or other agreement creating, evidencing or securing Indebtedness of any kind or pursuant to which any such Indebtedness is issued, or any other agreement or instrument to which Company or Bank, as applicable, is a party or by which Company or Bank, as applicable, or any of its properties may be bound or affected, *except*, in each case, only such defaults that would not reasonably be expected to have, singularly or in the aggregate, a Material Adverse Effect on Company.

4.2.6

Governmental Consent. No governmental orders, permissions, consents, approvals or authorizations are required to be obtained by Company that have not been obtained, and no registrations or declarations are required to be filed by Company that have not been filed in connection with, or, in contemplation of, the execution and delivery of, and performance under, the Transaction Documents, except for applicable requirements, if any, of the Securities Act, the Exchange Act or state securities laws or “blue sky” laws of the various states and any applicable federal or state banking laws and regulations.

4.3

Possession of Licenses and Permits. Company and its Subsidiaries possess such permits, licenses, approvals, consents and other authorizations (collectively, “Governmental Licenses”) issued by the appropriate Governmental Agencies necessary to conduct the business now operated by them except where the failure to possess such Governmental Licenses would not, singularly or in the aggregate, have or reasonably be expected to have a Material Adverse Effect on Company or such applicable Subsidiary; Company and each Subsidiary of Company is in compliance with the terms and conditions of all such Governmental Licenses, except where the failure so to comply would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect on Company or such applicable Subsidiary of Company; all of the Governmental Licenses are valid and in full force and effect, except where the invalidity of such Governmental Licenses or the failure of such Governmental Licenses to be in full force and effect would not have or reasonably be expected to have a Material Adverse Effect on Company or such applicable Subsidiary of Company; and neither Company nor any Subsidiary of Company has received any notice of proceedings relating to the revocation or modification of any such Governmental Licenses.

4.4

Financial Condition.

4.4.1

Company Financial Statements. recurring year-end audit adjustments normal in nature and amount), as applicable; (iii) complied as to form, as of their respective dates of filing in all material respects with applicable accounting and banking requirements as applicable, with respect thereto; and (iv) have been prepared in accordance with GAAP consistently applied during the periods involved, except, in each case, as indicated in such statements or in the notes thereto, and Regulation S-X promulgated under the Securities Act. The books and records of Company have been, and are being, maintained in all material respects in accordance with GAAP and any other applicable legal and accounting requirements. Company does not have any material liability of any nature whatsoever (whether absolute, accrued, contingent or otherwise and whether due or to become due), except for those liabilities that are reflected or reserved against on the consolidated balance sheet of Company contained in Company's Reports for Company's most recently completed quarterly or annual fiscal period, as applicable, and for liabilities incurred in the ordinary course of business consistent with past practice or in connection with this Agreement and the transactions contemplated hereby.

4.4.2

Absence of Default. Since the date of the latest audited financial statements included in Company's Reports, no event has occurred which either of itself or with the lapse of time or the giving of notice or both, would give any creditor of Company the right to accelerate the maturity of any material Indebtedness of Company. Company is not in default under any other Lease, agreement or instrument, or any law, rule, regulation, order, writ, injunction, decree, determination or award, non-compliance with which could reasonably be expected to result in a Material Adverse Effect on Company.

4.4.3

Solvency. After giving effect to the consummation of the transactions contemplated by this Agreement, Company has capital sufficient to carry on its business and transactions and is solvent and able to pay its debts as they mature. No transfer of property is being made and no Indebtedness is being incurred in connection with the transactions contemplated by this Agreement with the intent to hinder, delay or defraud either present or future creditors of Company or any Subsidiary of Company.

4.4.4

Ownership of Property. Company and each of its Subsidiaries has good and marketable title as to all real property owned by it and good title to all assets and properties owned by Company and such Subsidiary in the conduct of its businesses, whether such assets and properties are real or personal, tangible or intangible, including assets and property reflected in the most recent balance sheet contained in Company's Reports or acquired subsequent thereto (except to the extent that such assets and properties have been disposed of in the ordinary course of business, since the date of such balance sheet), subject to no encumbrances, liens, mortgages, security interests or pledges, except (i) those items which secure liabilities for public or statutory obligations or any discount with, borrowing from or other obligations to the Federal Home Loan Bank, inter-bank credit facilities, reverse repurchase agreements or any transaction by Bank acting in a fiduciary capacity, (ii) statutory liens for amounts not yet delinquent or which are being contested in good faith and (iii) such as do not, individually or in the aggregate, materially affect the value of such property and do not materially interfere with the use made and proposed to be made of such property by Company or any of its Subsidiaries. Company and each of its Subsidiaries, as lessee, has the right under valid and existing Leases of real and personal properties that are material to Company or such Subsidiary, as applicable, in the conduct of its business to occupy or use all such properties as presently occupied and used by it. Such existing Leases and commitments to lease constitute or will constitute operating leases for both tax and financial

accounting purposes and the lease expense and minimum rental commitments with respect to such Leases and lease commitments are as disclosed in all material respects in Company's Reports.

4.4.5 **Off Balance Sheet Arrangements.** There is no transaction, arrangement, or other relationship between the Company and an unconsolidated or other affiliated entity that is not reflected in the Company's Report.

4.5 **No Material Adverse Change.** Since the date of the latest audited financial statements included in Company's Reports, there has been no development or event which has had or could reasonably be expected to have a Material Adverse Effect on Company or any of its Subsidiaries.

4.6 **Legal Matters.**

4.6.1 **Compliance with Law.** Company and each of its Subsidiaries (i) has complied with and (ii) is not under investigation with respect to, and, to Company's knowledge, have not been threatened to be charged with or given any notice of any material violation of any applicable statutes, rules, regulations, orders and restrictions of any domestic or foreign government, or any Governmental Agency, having jurisdiction over the conduct of its business or the ownership of its properties, except where any such failure to comply or violation would not reasonably be expected to have a Material Adverse Effect on Company or any of its Subsidiaries. Company and each of its Subsidiaries is compliant with their own privacy policies and written commitments to their respective customers, consumers and employees, concerning data protection and the privacy and security of personal data and the nonpublic personal information of their respective customers, consumers and employees, in each case the failure to comply with which would not result, individually or in the aggregate, in a Material Adverse Effect.

4.6.2 **Regulatory Enforcement Actions.** Company, Bank and its other Subsidiaries are in compliance in all material respects with all laws administered by and regulations of any Governmental Agency applicable to it or to them, *except* where the failure to comply with which would not have a Material Adverse Effect on Company or such Subsidiary. None of Company, Bank, Company's Subsidiaries nor any of their officers or directors is now operating under any restrictions, agreements, memoranda, commitment letter, supervisory letter or similar regulatory correspondence, or other commitments (other than restrictions of general application) imposed by any Governmental Agency, nor are, to Company's knowledge, (a) any such restrictions threatened, (b) any agreements, memoranda or commitments being sought by any Governmental Agency, or (c) any legal or regulatory violations previously identified by, or penalties or other remedial action previously imposed by, any Governmental Agency unresolved.

4.6.3 **Pending Litigation.** There are no actions, suits, proceedings or written agreements pending, or, to Company's knowledge, threatened or proposed, against Company, Bank, or any of its other Subsidiaries at law or in equity or before or by any Governmental Agency that, either separately or in the aggregate, would reasonably be expected to have a Material Adverse Effect on Company or any of its Subsidiaries or affect issuance or payment of the Subordinated Notes; and neither Company nor any of its Subsidiaries is a party to or named as subject to the provisions of any order, writ, injunction, or decree of, or any written agreement with,

accountability for assets; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. Since the end of Company's most recent audited fiscal year, (y) Company has no knowledge of (i) any material weakness in Company's internal control over financial reporting (whether or not remediated) or (ii) any fraud, whether or not material, that involves management or other employees who have a significant role in Company's internal controls and (z) there has been no change in Company's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, Company's internal control over financial reporting.

4.10 **Disclosure Controls and Procedures.** Company and its Subsidiaries maintain an effective system of disclosure controls and procedures (as defined in Rule 13a-15 and Rule 15d-15 of the Exchange Act), that (i) are designed to ensure that information required to be disclosed by Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms and that material information relating to Company and its Subsidiaries is made known to Company's principal executive officer and principal financial officer by others within Company and its Subsidiaries to allow timely decisions regarding disclosure, and (ii) are effective in all material respects to perform the functions for which they were established. As of the date hereof, Company has no knowledge that would reasonably cause it to believe that the evaluation to be conducted of the effectiveness of Company's disclosure controls and procedures for the most recently ended fiscal quarter period will result in a finding that such disclosure controls and procedures are ineffective for such quarter ended. Based on the evaluation of Company's and each Subsidiary's disclosure controls and procedures described above, Company is not aware of (1) any significant deficiency in the design or operation of internal controls which could adversely affect Company's ability to record, process, summarize and report financial data or any material weaknesses in internal controls or (2) any fraud, whether or not material, that involves management or other employees who have a significant role in Company's internal controls. Since the most recent evaluation of Company's disclosure controls and procedures described above, there have been no significant changes in internal controls or in other factors that could significantly affect internal controls.

4.11 **Representations and Warranties Generally.** The representations and warranties of Company set forth in this Agreement, in any certificate or other document delivered to Purchasers by or on behalf of Company pursuant to or in connection with this Agreement are true and correct as of the date hereof and will be true and correct as of the Closing Date and as otherwise specifically provided herein or therein. None of the representations, warranties, covenants and agreements made in this Agreement or in any certificate or other document delivered to Purchasers by or on behalf of Company pursuant to or in connection with this Agreement contains any untrue statement of a material fact or omits to state a material fact or any fact necessary to make the statements contained therein not misleading in light of the circumstances when made and as of the Closing Date. Any certificate signed by an officer of Company and delivered to the Purchasers or to counsel for Purchasers shall be deemed to be a representation and warranty by Company to the Purchasers as to the matters set forth therein.

5. **GENERAL COVENANTS, CONDITIONS AND AGREEMENTS.**

Company hereby further covenants and agrees with each Purchaser as follows:

5.1 **Compliance with Transaction Documents.** Company shall comply with, observe and timely perform each and every one of its covenants, agreements and obligations under the Transaction Documents.

5.2 **Affiliate Transactions.** Company shall not itself, nor shall it cause, permit or allow any of its Subsidiaries to enter into any transaction, including, the purchase, sale or exchange of property or the rendering of any service, with any Affiliate of Company except in the ordinary course of business and pursuant to the reasonable requirements of Company's or such Affiliate's business and upon terms consistent with applicable laws and regulations and reasonably found by the appropriate board(s) of directors to be fair and reasonable and no less favorable to Company or such Affiliate than would be obtained in a comparable arm's length transaction with a Person not an Affiliate.

5.3 **Compliance with Laws.**

5.3.1 **Generally.** Company shall comply and cause Bank and each of its other Subsidiaries to comply in all material respects with all applicable statutes, rules, regulations, orders and restrictions in respect of the conduct of its business and the ownership of its properties, except, in each case, where such non-compliance would not reasonably be expected to have a Material Adverse Effect on Company.

5.3.2 **Regulated Activities.** Company shall not itself, nor shall it cause, permit or allow Bank or any other of its Subsidiaries to (i) engage in any business or activity not permitted by all applicable laws and regulations, except where such business or activity would not reasonably be expected to have a Material Adverse Effect on Company, Bank and/or such of its Subsidiaries or (ii) make any loan or advance secured by the capital stock of another bank or depository institution, or acquire the capital stock, assets or obligations of or any interest in another bank or depository institution, in each case other than in accordance with applicable laws and regulations and safe and sound banking practices.

5.3.3 **Taxes.** Company shall and shall cause Bank and any other of its Subsidiaries to promptly pay and discharge all taxes, assessments and other governmental charges imposed upon Company, Bank or any other of its Subsidiaries or upon the income, profits, or property of Company or any Subsidiary and all claims for labor, material or supplies which, if unpaid, might by law become a lien or charge upon the property of Company, Bank or any other of its Subsidiaries. Notwithstanding the foregoing, none of Company, Bank or any other of its Subsidiaries shall be required to pay any such tax, assessment, charge or claim, so long as the validity thereof shall be contested in good faith by appropriate proceedings, and appropriate reserves therefor shall be maintained on the books of Company, Bank and such other Subsidiary.

5.4 **Absence of Control.** It is the intent of the parties to this Agreement that in no event shall Purchasers, by reason of any of the Transaction Documents, be deemed to control, directly or indirectly, Company, and Purchasers shall not exercise, or be deemed to exercise, directly or indirectly, a controlling influence over the management or policies of Company.

5.5 **Secondary Market Transactions.** Each Purchaser shall have the right at any time and from time to time to securitize such Purchaser's Subordinated Notes or any portion thereof in a single asset securitization or a pooled loan securitization of rated single or multi-class securities secured by or evidencing ownership interests in the Subordinated Notes (each such securitization is referred to herein as a "Secondary Market Transaction"). In connection with any such Secondary Market Transaction, Company shall, at Company's expense, cooperate with any such Purchaser and otherwise reasonably assist any such Purchaser in satisfying the market standards to which any such Purchaser customarily adheres or which may be reasonably required in the marketplace or by applicable rating agencies in connection with any such Secondary Market Transaction. Subject to any written confidentiality obligation, all information regarding Company may be furnished, without liability except in the case of gross negligence or willful misconduct, to any Purchaser and to any Person reasonably deemed necessary by a Purchaser in connection with participation in such Secondary Market Transaction. All documents, financial statements, appraisals and other data relevant to Company or the Subordinated Notes may be retained by any such Person.

5.6 **Insurance.** At its sole cost and expense, Company shall maintain, and shall cause each Subsidiary to maintain, bonds and insurance to such extent, covering such risks as is required by law. or as is usual and customary for owners of similar businesses and properties in the same general area in which Company or any of its Subsidiaries operates. All such bonds and policies of insurance shall be in a form, in an amount and with insurers recognized as adequate by prudent business persons.

5.7 **DTC Registration.** Company shall use commercially reasonable efforts to cause the Subordinated Notes to be quoted on Bloomberg and, with respect to Subordinated Notes held by Qualified Institutional Buyers as defined in Rule 144A of the Securities Act, shall cause such Subordinated Notes to be registered in the name of Cede & Co. as nominee of The Depository Trust Company ("DTC").

5.8 **Rule 144A Information.** While any Subordinated Notes remain "restricted securities" within the meaning of the Securities Act, Company will make available, upon request, to any seller of such Subordinated Notes the information specified in Rule 144A(d) (4) under the Securities Act, unless Company is then subject to Section 13 or 15(d) of the Exchange Act.

6. **REPRESENTATIONS, WARRANTIES AND COVENANTS OF PURCHASERS.**

6.3 **No Conflicts.** Neither the execution, delivery or performance of the Transaction Documents nor the consummation of any of the transactions contemplated thereby will conflict with, violate, constitute a breach of or a default (whether with or without the giving of notice or lapse of time or both) under (i) the Purchaser's organizational documents, to the extent the Purchaser is not a natural person, (ii) any agreement to which the Purchaser is party, (iii) any law applicable to the Purchaser or (iv) any order, writ, judgment, injunction, decree, determination or award binding upon or affecting the Purchaser.

6.4 **Purchase for Investment.** The Purchaser is purchasing the Subordinated Note for his, her or its own account and not with a view to distribution and with no present intention of reselling, distributing or otherwise disposing of the same. The Purchaser further acknowledges and agrees that all certificates or other instruments representing the Subordinated Notes will bear the restrictive legend set forth in the form of Subordinated Note, which is attached as an exhibit to the Indenture. The Purchaser further acknowledges his, her or its primary responsibilities under the Securities Act and, accordingly, will not sell or otherwise transfer the Subordinated Notes or any interest therein without complying with the requirements of the Securities Act and the rules and regulations promulgated thereunder and the requirements set forth in this Agreement.

2. Registration Under the 1933 Act.

(a) Exchange Offer Registration. The Company shall (A) use its commercially reasonable efforts to file with the SEC on or prior to the 60th day after the Closing Date an Exchange Offer Registration Statement covering the offer by the Company to the Holders to exchange all of the Registrable Securities for a like aggregate principal amount of Exchange Securities, (B) use its commercially reasonable efforts to cause such Exchange Offer Registration Statement to be declared effective by the SEC no later than the 120th day after the Closing Date, (C) use its commercially reasonable efforts to cause such Registration Statement to remain effective until the closing of the Exchange Offer and (D) use its commercially reasonable efforts to consummate the Exchange Offer no later than 45 days after the effective date of the Exchange Offer Registration Statement. Upon the effectiveness of the Exchange Offer Registration Statement, the Company shall promptly commence the Exchange Offer, it being the objective of such Exchange Offer to enable each Holder eligible and electing to exchange Registrable Securities for Exchange Securities (assuming that such Holder is not an affiliate of the Company within the meaning of Rule 405 under the 1933 Act, acquires the Exchange Securities in the ordinary course of such Holder’s business and has no arrangements or understandings with any Person to participate in the Exchange Offer for the purpose of distributing such Exchange Securities) to trade such Exchange Securities from and after their receipt without any limitations or restrictions under the 1933 Act or under the securities or blue sky laws of the states of the United States.

In connection with the Exchange Offer, the Company shall:

(i) promptly mail or otherwise transmit, in compliance with the applicable procedures of the depository for such Registrable Securities, to each Holder a copy of the Prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;

(ii) keep the Exchange Offer open for not less than 20 business days (or longer if required by applicable law) after the date notice thereof is mailed to the Holders and, during the Exchange Offer, offer to all Holders who are legally eligible to participate in the Exchange Offer the opportunity to exchange their Registrable Securities for Exchange Securities;

(iii) use the services of a depository with an address in the Borough of Manhattan, City of New York for the Exchange Offer;

(iv) permit Holders to withdraw tendered Registrable Securities at any time prior to the close of business, Eastern time, on the last business day on which the Exchange Offer shall remain open, by sending to the institution and at the address specified in the Prospectus or the related letter of transmittal or related documents a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Securities delivered for exchange, and a statement that such Holder is withdrawing its election to have such Subordinated Notes exchanged;

(v) notify each Holder that any Registrable Security not tendered will remain outstanding and continue to accrue interest, but will not retain any rights under this Agreement (except in the case of Participating Broker-Dealers as provided herein); and

(vi) otherwise comply in all material respects with all applicable laws relating to the Exchange Offer.

The Exchange Securities shall be issued under the Indenture, which shall be qualified under the TIA. The Indenture shall provide that the Exchange Securities and the Subordinated Notes shall vote and consent together on all matters as a single class and shall constitute a single series of debt securities issued under the Indenture.

As soon as reasonably practicable after the close of the Exchange Offer, the Company shall:

(vii) accept for exchange all Registrable Securities duly tendered and not validly withdrawn pursuant to the Exchange Offer in accordance with the terms of the Exchange Offer Registration Statement and the letter of transmittal which is an exhibit thereto;

(viii) deliver, or cause to be delivered, to the Trustee for cancellation all Registrable Securities so accepted for exchange by the Company; and

(ix) cause the Trustee promptly to authenticate and deliver Exchange Securities to each Holder of Registrable Securities so accepted for exchange equal in principal amount to the principal amount of the Registrable Securities of such Holder so accepted for exchange.

Interest on each Exchange Security will accrue from the last date on which interest was paid or duly provided for on the Subordinated Notes surrendered in exchange therefor or, if no interest has been paid or duly provided for on such Subordinated Notes, from the Interest Accrual Date. The Exchange Offer shall not be subject to any conditions, other than (i) that the Exchange Offer, or the making of any exchange by a Holder, does not violate any applicable law or any applicable interpretation of the staff of the SEC, (ii) that no action or proceeding shall have been instituted or threatened in any court or by or before any governmental agency with respect to the Exchange Offer which, in the Company's judgment, would reasonably be expected to impair the ability of the Company to proceed with the Exchange Offer, and (iii) that the Holders tender the Registrable Securities to the Company in accordance with the Exchange Offer. Each Holder of Registrable Securities (other than Participating Broker-Dealers) who wishes to exchange such Registrable Securities for Exchange Securities in the Exchange Offer will be required to represent that (i) it is not an affiliate (as defined in Rule 405 under the 1933 Act) of the Company, (ii) any Exchange Securities to be received by it will be acquired in the ordinary course of business, (iii) it has no arrangement with any Person to participate in the distribution (within the meaning of the 1933 Act) of the Exchange Securities, and (iv) it is not acting on behalf of any Person who could not truthfully make the statements set forth in clauses (i), (ii) and (iii) immediately above, and shall be required to make such other representations as may be reasonably necessary under applicable SEC rules, regulations or interpretations to render the use of Form S-4 or another appropriate form under the 1933 Act available.

(b) Shelf Registration. (i) If, because of any change in law or applicable interpretations thereof by the staff of the SEC, the Company is not permitted to effect the Exchange Offer as contemplated by Section 2(a) hereof, or (ii) if for any other reason (A) the Exchange Offer Registration Statement is not declared effective within 120 days following the Closing Date or (B) the Exchange Offer is not consummated within 45 days after effectiveness of the Exchange Offer Registration Statement (*provided* that if the Exchange Offer Registration Statement shall be declared effective after such 120-day period or if the Exchange Offer shall be consummated after such 45-day

period, then the Company's obligations under this clause (ii) arising from the failure of the Exchange Offer Registration Statement to be declared effective within such 120-day period or the failure of the Exchange Offer to be consummated within such 45-day period, respectively, shall terminate), or (iii) if any Holder is not eligible to participate in the Exchange Offer or elects to participate in the Exchange Offer but does not receive Exchange Securities which are freely tradeable without any limitations or restrictions under the 1933 Act, the Company shall, at its cost:

(A) use its commercially reasonable efforts to file with the SEC on or prior to (a) the 180th day after the Closing Date or (b) the 60th day after any such filing obligation arises, whichever is later, a Shelf Registration Statement relating to the offer and sale of the Registrable Securities by the Holders from time to time in accordance with the methods of distribution elected by the Majority Holders of such Registrable Securities and set forth in such Shelf Registration Statement;

(B) use its commercially reasonable efforts to cause such Shelf Registration Statement to be declared effective by the SEC as promptly as practicable, but in no event later than (a) the 225th day after the Closing Date or (b) the 105th day after an obligation to file with the SEC a Shelf Registration Statement arises, whichever is later. In the event that the Company is required to file a Shelf Registration Statement pursuant to clause (iii) above, the Company shall file and use its commercially reasonable efforts to have declared effective by the SEC both an Exchange Offer Registration Statement pursuant to Section 2(a) with respect to all Registrable Securities and a Shelf Registration Statement (which may be a combined Registration Statement with the Exchange Offer Registration Statement) with respect to offers and sales of Registrable Securities held by such Holder described in clause (iii) above;

(C) use its commercially reasonable efforts to keep the Shelf Registration Statement continuously effective, supplemented and amended as required, in order to permit the Prospectus forming part thereof to be usable by Holders for a period of one year after the latest date on which any Subordinated Notes are originally issued by the Company (subject to extension pursuant to the last paragraph of Section 3) or, if earlier, when all of the Registrable Securities covered by such Shelf Registration Statement (i) have been sold pursuant to the Shelf Registration Statement in accordance with the intended method of distribution thereunder, or (ii) cease to be Registrable Securities; and

(D) notwithstanding any other provisions hereof, use its commercially reasonable efforts to ensure that (i) any Shelf Registration Statement and any amendment thereto and any Prospectus forming a part thereof and any supplements thereto comply in all material respects with the 1933 Act, (ii) any Shelf Registration Statement and any amendment thereto does not, when it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading and (iii) any Prospectus forming part of any Shelf Registration Statement and any amendment or supplement to such Prospectus does not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, clauses (ii) and (iii) shall not apply to any statement in or omission from a Shelf Registration Statement or a Prospectus made in reliance upon and conformity with information relating to any Holder or Participating Broker-Dealer of Registrable Securities furnished to the Company in writing by such Holder or Participating Broker-Dealer, respectively, expressly for use in such Shelf Registration Statement or Prospectus.

The Company further agrees, if necessary, to supplement or amend the Shelf Registration Statement if reasonably requested by the Majority Holders with respect to information relating to the Holders and otherwise as required by Section 3(b) below, to use its commercially reasonable efforts to cause any such amendment to become effective and such Shelf Registration Statement to become usable as soon as reasonably practicable thereafter and to furnish to the Holders of Registrable Securities copies of any such supplement or amendment promptly after its being used or filed with the SEC.

(c) Expenses. The Company shall pay all Registration Expenses in connection with the registration pursuant to Section 2(a) and 2(b), and, in the case of any Shelf Registration Statement, will reimburse the Holders for the reasonable fees and disbursements of one counsel (in addition to any local counsel) designated in writing by the Majority Holders to act as counsel for the Holders of the Registrable Securities in connection therewith; provided,

however, that the Company shall not be responsible for reimbursement for the fees and disbursements of such counsel in an aggregate amount in excess of \$10,000. Each Holder shall pay all fees and disbursements of its counsel other than as set forth in the preceding sentence or in the definition of Registration Expenses and all underwriting discounts and commissions and transfer taxes, if any, relating to the sale or disposition of such Holder's Registrable Securities pursuant to a Shelf Registration Statement.

(d) Effective Registration Statement.

(i) The Company shall be deemed not to have used its commercially reasonable efforts to cause the Exchange Offer Registration Statement or any Shelf Registration Statement, as the case may be, to become, or to remain, effective during the requisite periods set forth herein if the Company voluntarily takes any action that could reasonably be expected to result in any such Registration Statement not being declared effective or remaining effective or in the Holders of Registrable Securities (including, under the circumstances contemplated by Section 3(f) hereof, Exchange Securities) covered thereby not being able to exchange or offer and sell such Registrable Securities during that period unless (A) such action is required by applicable law or (B) such action is taken by the Company in good faith and for valid business reasons (but not including avoidance of the Company's obligations hereunder), including, but not limited to, the acquisition or divestiture of assets or a material corporate transaction or event, or if the Company determines in good faith that effecting or maintaining the availability of the registration would materially and adversely affect an offering of securities of the Company or if the Company is in possession of material non-public information the disclosure of which would not be in the best interests of the Company, in each case so long as the Company promptly complies with the notification requirements of Section 3(k) hereof, if applicable. Nothing in this paragraph shall prevent the accrual of Additional Interest on any Registrable Securities or Exchange Securities.

(ii) An Exchange Offer Registration Statement pursuant to Section 2(a) hereof or a Shelf Registration Statement pursuant to Section 2(b) hereof shall not be deemed to have become effective unless it has been declared effective by the SEC; *provided, however*, that if, after such Registration Statement has been declared effective, the offering of Registrable Securities pursuant to a Registration Statement is interfered with by any stop order, injunction or other order or requirement of the SEC or any other governmental agency or court, such Registration Statement shall be deemed not to have been effective during the period of such interference until the offering of Registrable Securities pursuant to such Registration Statement may legally resume.

(iii) During any 365-day period, the Company may, by notice as described in Section 3(e), suspend the availability of a Shelf Registration Statement (and, if the Exchange Offer Registration Statement is being used in connection with the resale of Exchange Securities by Participating Broker-Dealers as contemplated by Section 3(f), the Exchange Offer Registration Statement) and the use of the related Prospectus for up to two periods of up to 60 consecutive days each (except for the consecutive 60-day period immediately prior to final maturity of the Subordinated Notes), but no more than an aggregate of 120 days during any 365-day period, upon (a) the happening of any event or the discovery of any fact referred to in Section 3(e)(vi), or (b) if the Company determines in good faith that effecting or maintaining the availability of the registration would materially and adversely affect an offering of securities of the Company or if the Company is in possession of material non-public information the disclosure of which would not be in the best interests of the Company, in each case subject to compliance by the Company with its obligations under the last paragraph of Section 3.

(e) Increase in Interest Rate. In the event that:

(i) the Exchange Offer Registration Statement is not filed with the SEC on or prior to the 60th day following the Closing Date, or

(ii) the Exchange Offer Registration Statement is not declared effective by the SEC on or prior to the 120th day following the Closing Date, or

(iii) Offer Registration Statement, or

the Exchange Offer is not consummated on or prior to the 45th day following the effective date of the Exchange

(iv) Closing Date or (B) the 60th day after the obligation to file with the SEC a Shelf Registration Statement arises, whichever is later, or

(v) Closing Date or (b) the 105th day after an obligation to file with the SEC a Shelf Registration Statement arises, whichever is later, or

(vi) a Shelf Registration Statement is declared effective by the SEC but such Shelf Registration Statement ceases to be effective or such Shelf Registration Statement or the Prospectus included therein ceases to be usable in connection with resales of Registrable Securities for any reason and (A) the aggregate number of days in any consecutive 365-day period for which the Shelf Registration Statement or such Prospectus shall not be effective or usable exceeds 120 days, (B) the Shelf Registration Statement or such Prospectus shall not be effective or usable for more than two periods (regardless of duration) in any consecutive 365-day period or (C) the Shelf Registration Statement or such Prospectus shall not be effective or usable for a period of more than 90 consecutive days, or

(vii) the Exchange Offer Registration Statement is declared effective by the SEC but, if the Exchange Offer Registration Statement is being used in connection with the resale of Exchange Securities as contemplated by Section 3(f) of this Agreement, the Exchange Offer Registration Statement ceases to be effective or the Exchange Offer Registration Statement or the Prospectus included therein ceases to be usable in connection with resales of Exchange Securities for any reason during the 180-day period referred to in Section 3(f)(B) of this Agreement (as such period may be extended pursuant to the last paragraph of Section 3 of this Agreement) and (A) the aggregate number of days in any consecutive 365-day period for which the Exchange Offer Registration Statement or such Prospectus shall not be effective or usable exceeds 120 days, (B) the Exchange Offer Registration Statement or such Prospectus shall not be effective or usable for more than two periods (regardless of duration) in any consecutive 365-day period or (C) the Exchange Offer Registration Statement or the Prospectus shall not be effective or usable for a period of more than 90 consecutive days,

(each of the events referred to in clauses (i) through (vii) above being hereinafter called a “Registration Default”), the per annum interest rate borne by the Registrable Securities shall be increased (“Additional Interest”) by one-quarter of one percent (0.25%) per annum immediately following such 60-day period in the case of clause (i) above, immediately following such 120-day period in the case of clause (ii) above, immediately following such 45-day period in the case of clause (iii) above, immediately following any such 180-day period or 60-day period, whichever ends later, in the case of clause (iv) above, immediately following any such 225-day period or 105-day period, as applicable, in the case of clause (v) above, immediately following the 120th day in any consecutive 365-day period, as of the first day of the third period in any consecutive 365-day period or immediately following the 90th consecutive day, whichever occurs first, that a Shelf Registration Statement shall not be effective or a Shelf Registration Statement or the Prospectus included therein shall not be usable as contemplated by clause (vi) above, or immediately following the 120th day in any consecutive 365-day period, as of the first day of the third period in any consecutive 365-day period or immediately following the 90th consecutive day, whichever occurs first, that the Exchange Offer Registration Statement shall not be effective or the Exchange Offer Registration Statement or the Prospectus included therein shall not be usable as contemplated by clause (vii) above, which rate will be increased by an additional one-quarter of one percent (0.25%) per annum immediately following each 90-day period that any Additional Interest continues to accrue under any circumstances; *provided* that, if at any time more than one Registration Default has occurred and is continuing, then, until the next date that there is no Registration Default, the increase in interest rate provided for by this paragraph shall apply as if there occurred a single Registration Default that begins on the date that the earliest such Registration Default occurred and ends on such date that there is no Registration Default; *provided further*, that the aggregate increase in such annual interest rate may in no event exceed one-half of one percent (0.50%) per annum. Upon the filing of the Exchange Offer Registration Statement after the 60-day period described in clause (i) above, the effectiveness of the Exchange Offer Registration Statement

after the 120-day period described in clause (ii) above, the consummation of the Exchange Offer after the 45-day period described in clause (iii) above, the filing of the Shelf Registration Statement after the 180-day period or 60-day period, as the case may be, described in clause (iv) above, the effectiveness of a Shelf Registration Statement after the 225-day period or 105-day period, as applicable, described in clause (v) above, or the Shelf Registration Statement once again being effective or the Shelf Registration Statement and the Prospectus included therein becoming usable in connection with resales of Registrable Securities, as the case may be, in the case of clause (vi) above, or the Exchange Offer Registration Statement once again becoming effective or the Exchange Offer Registration Statement and the Prospectus included therein becoming usable in connection with resales of Exchange Securities, as the case may be, in the case of clause (vii) thereof, the interest rate borne by the Subordinated Notes from the date of such filing, effectiveness, consummation or resumption of effectiveness or usability, as the case may be, shall be reduced to the original interest rate so long as no other Registration Default shall have occurred and shall be continuing at such time and the Company is otherwise in compliance with this paragraph; *provided, however*, that, if after any such reduction in interest rate, one or more Registration Defaults shall again occur, the interest rate shall again be increased pursuant to the foregoing provisions (as if it were the original Registration Default). Notwithstanding anything in this Agreement to the contrary, the Company will not be obligated to pay any Additional Interest in the case of a Shelf Registration Statement with respect to any Holder of Registrable Securities who fails to timely provide all information with respect to Holder that is reasonably requested by the Company to enable it to timely comply with its obligations under Section 2(b).

The Company shall notify the Trustee within three business days after each and every date on which an event occurs in respect of which Additional Interest is required to be paid (an “Event Date”). Additional Interest shall be paid by depositing with the Trustee, in trust, for the benefit of the Holders of Registrable Securities, on or before the applicable interest payment date, immediately available funds in sums sufficient to pay the Additional Interest then due. The Additional Interest due shall be payable on each interest payment date to the record Holder of Registrable Securities entitled to receive the interest payment to be paid on such date as set forth in the Indenture. Each obligation to pay Additional Interest shall be deemed to accrue from and including the day following the applicable Event Date.

Anything herein to the contrary notwithstanding, any Holder who was, at the time the Exchange Offer was pending and consummated, eligible to exchange, and did not validly tender, its Subordinated Notes for Exchange Securities in the Exchange Offer will not be entitled to receive any Additional Interest.

(f) Specific Enforcement. Without limiting the remedies available to the Holders or any Participating Broker-Dealer, the Company acknowledges that any failure by the Company to comply with its obligations under 2(a) and 2(b) hereof may result in material irreparable injury to the Holders or the Participating Broker-Dealers for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of any such failure, any Holder and any Participating Broker-Dealer may obtain such relief as may be required to specifically enforce the Company’s obligations under 2(a) and 2(b).

3. Registration Procedures. In connection with the obligations of the Company with respect to the Registration Statements pursuant to 2(a) and 2(b) hereof, the Company shall:

(a) prepare and file with the SEC a Registration Statement or, if required, Registration Statements, within the time periods specified in Section 2, on the appropriate form under the 1933 Act, which form (i) shall be selected by the Company, (ii) shall, in the case of a Shelf Registration Statement, be available for the sale of the Registrable Securities by the selling Holders thereof and (iii) shall comply as to form in all material respects with the requirements of the applicable form and include or incorporate by reference all financial statements required by the SEC to be filed therewith or incorporated by reference therein, and use its commercially reasonable efforts to cause such Registration Statement to become effective and remain effective for the applicable period in accordance with Section 1 hereof;

(b) prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement as may be necessary under applicable law to keep such Registration Statement effective for the applicable period in accordance with Section 2 hereof; cause each Prospectus to be supplemented by any required prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 under the 1933 Act; and comply with the provisions of the 1933 Act and the 1934 Act with respect to the disposition of all Registrable

Securities covered by each Registration Statement during the applicable period in accordance with the intended method or methods of distribution by the selling Holders thereof;

(c) in the case of a Shelf Registration, (i) notify each Holder of Registrable Securities, at least ten business days prior to filing, that a Shelf Registration Statement with respect to the Registrable Securities is being filed and advising such Holders that the distribution of Registrable Securities will be made in accordance with the method elected by the Majority Holders; (ii) furnish to each Holder of Registrable Securities and counsel for the Holders, without charge, as many copies of each Prospectus, including each preliminary Prospectus, and any amendment or supplement thereto and such other documents as such Holder or counsel may reasonably request, including financial statements and schedules and, if such Holder or counsel so requests, all exhibits (including those incorporated by reference) in order to facilitate the public sale or other disposition of the Registrable Securities; and (iii) subject to the penultimate paragraph of this [Section 3](#), the Company hereby consents to the use of the Prospectus, including each preliminary Prospectus, or any amendment or supplement thereto by each of the Holders of Registrable Securities in accordance with applicable law in connection with the offering and sale of the Registrable Securities covered by and in the manner described in any Prospectus or any amendment or supplement thereto;

(d) use its commercially reasonable efforts to register or qualify the Registrable Securities under all applicable state securities or "blue sky" laws of such jurisdictions as any Holder of Registrable Securities covered by a Registration Statement shall reasonably request, to cooperate with the Holders of any Registrable Securities in connection with any filings required to be made with FINRA, to keep each such registration or qualification effective during the period such Registration Statement is required to be effective and do any and all other acts and things which may be reasonably necessary or advisable to enable such Holder to consummate the disposition in each such jurisdiction of such Registrable Securities owned by such Holder; *provided, however*, that the Company shall not be required to (i) qualify as a foreign corporation or entity or as a dealer in securities in any jurisdiction where it would not otherwise be required to qualify but for this [Section 3\(d\)](#) or (ii) take any action which would subject it to general service of process or taxation in any such jurisdiction if it is not then so subject;

(e) in the case of a Shelf Registration, notify each Holder of Registrable Securities and counsel for such Holders promptly and, if requested by such Holder or counsel, confirm such advice in writing promptly

(i) when a Registration Statement has become effective and when any post-effective amendments and supplements thereto become effective,

(ii) of any request by the SEC or any state securities authority for post-effective amendments or supplements to a Registration Statement or Prospectus or for additional information after a Registration Statement has become effective (other than comments to 1934 Act reports incorporated therein by reference),

(iii) of the issuance by the SEC or any state securities authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose,

(iv) [reserved],

(v) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose,

(vi) of the happening of any event or the discovery of any facts during the period a Shelf Registration Statement is effective which is contemplated in [Section 2\(d\)\(i\)](#) or which makes any statement made in such Shelf Registration Statement or the related Prospectus untrue in any material respect or which constitutes an omission to state a material fact in such Shelf Registration Statement or Prospectus and

(vii) of any determination by the Company that a post-effective amendment to a Registration Statement would be appropriate. Without limitation to any other provisions of this Agreement, the

Company agrees that this Section 3(e) shall also be applicable, mutatis mutandis, with respect to the Exchange Offer Registration Statement and the Prospectus included therein to the extent that such Prospectus is being used by Participating Broker-Dealers as contemplated by Section 3(f);

(f) (A) in the case of an Exchange Offer, (i) include in the Exchange Offer Registration Statement (1) a “Plan of Distribution” section covering the use of the Prospectus included in the Exchange Offer Registration Statement by broker-dealers who have exchanged their Registrable Securities for Exchange Securities for the resale of such Exchange Securities and (2) a statement to the effect that any such broker-dealers who wish to use the related Prospectus in connection with the resale of Exchange Securities acquired as a result of market-making or other trading activities will be required to notify the Company to that effect, together with instructions for giving such notice (which instructions shall include a provision for giving such notice by checking a box or making another appropriate notation on the related letter of transmittal) (each such broker-dealer who gives notice to the Company as aforesaid being hereinafter called a “Notifying Broker-Dealer”), (ii) furnish to each Notifying Broker-Dealer who desires to participate in the Exchange Offer, without charge, as many copies of each Prospectus included in the Exchange Offer Registration Statement, including any preliminary prospectus, and any amendment or supplement thereto, as such broker-dealer may reasonably request, (iii) include in the Exchange Offer Registration Statement a statement that any broker-dealer who holds Registrable Securities acquired for its own account as a result of market-making activities or other trading activities (a “Participating Broker-Dealer”), and who receives Exchange Securities for Registrable Securities pursuant to the Exchange Offer, may be a statutory underwriter and must deliver a prospectus meeting the requirements of the 1933 Act in connection with any resale of such Exchange Securities, (iv) subject to the penultimate paragraph of this Section 3, the Company hereby consents to the use of the Prospectus forming part of the Exchange Offer Registration Statement or any amendment or supplement thereto by any Notifying Broker-Dealer in accordance with applicable law in connection with the sale or transfer of Exchange Securities, and (v) include in the transmittal letter or similar documentation to be executed by an exchange offeree in order to participate in the Exchange Offer the following provision:

“If the undersigned is not a broker-dealer, the undersigned represents that it is not engaged in, and does not intend to engage in, a distribution of Exchange Securities. If the undersigned is a broker-dealer that will receive Exchange Securities for its own account in exchange for Registrable Securities, it represents that the Registrable Securities to be exchanged for Exchange Securities were acquired by it as a result of market-making activities or other trading activities and acknowledges that it will deliver a prospectus meeting the requirements of the 1933 Act in connection with any resale of such Exchange Securities pursuant to the Exchange Offer; however, by so acknowledging and by delivering a prospectus, the undersigned will not be deemed to admit that it is an “underwriter” within the meaning of the 1933 Act;”

(B) to the extent any Notifying Broker-Dealer participates in the Exchange Offer, (i) the Company shall use its commercially reasonable efforts to maintain the effectiveness of the Exchange Offer Registration Statement for a period of 180 days (subject to extension pursuant to the last paragraph of this Section 3) following the last date on which exchanges are accepted pursuant to the Exchange Offer, and (ii) the Company will comply, insofar as relates to the Exchange Offer Registration Statement, the Prospectus included therein and the offering and sale of Exchange Securities pursuant thereto, with its obligations under Section 2(b)(D), the last paragraph of Section 2(b), Section 3(c), 3(d), 3(e), 3(g), 3(i), 3(j), 3(k), 3(o), 3(p), 3(q), 3(r) and 3(s), and the last three paragraphs of this Section 3 as if all references therein to a Shelf Registration Statement, the Prospectus included therein and the Holders of Registrable Securities referred, mutatis mutandis, to the Exchange Offer Registration Statement, the Prospectus included therein and the applicable Notifying Broker-Dealers and, for purposes of this Section 3(f), all references in any such paragraphs or sections to the “Majority Holders” shall be deemed to mean, solely insofar as relates to this Section 3(f), the Notifying Broker-Dealers who are the Holders of the majority in aggregate principal amount of the Exchange Securities which are Registrable Securities; and

(C) the Company shall not be required to amend or supplement the Prospectus contained in the Exchange Offer Registration Statement as would otherwise be contemplated by Section 3(b) or 3(k) hereof, or take any other action as a result of this Section 3(f), for a period exceeding 180 days (subject to extension pursuant to the last paragraph of this Section 3) after the last date on which exchanges are accepted pursuant to the Exchange Offer and Notifying Broker-Dealers shall not be authorized by the

Company to, and shall not, deliver such Prospectus after such period in connection with resales contemplated by this Section 3;

(g) in the case of a Shelf Registration, furnish counsel for the Holders of Registrable Securities copies of any request by the SEC or any state securities authority for amendments or supplements to a Registration Statement or Prospectus or for additional information (other than comments to 1934 Act reports incorporated therein by reference);

(h) use its commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement as soon as practicable and provide immediate notice to each Holder of the withdrawal of any such order;

(i) in the case of a Shelf Registration, upon request furnish to each Holder of Registrable Securities, without charge, at least one conformed copy of each Registration Statement and any post-effective amendments thereto (without documents incorporated or deemed to be incorporated therein by reference or exhibits thereto, unless requested);

(j) in the case of a Shelf Registration, cooperate with the selling Holders of Registrable Securities to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold and not bearing any restrictive legends; and cause such Registrable Securities to be in such denominations (consistent with the provisions of the Indenture) and in a form eligible for deposit with the Depository and registered in such names as the selling Holders may reasonably request in writing at least two business days prior to the closing of any sale of Registrable Securities;

(k) in the case of a Shelf Registration, upon the occurrence of any event or the discovery of any facts as contemplated by Section 3(e)(vi) hereof, use its commercially reasonable efforts to prepare a supplement or post-effective amendment to a Registration Statement or the related Prospectus or any document incorporated or deemed to be incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Securities, such Prospectus will not contain at the time of such delivery any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The Company agrees to notify each Holder to suspend use of the Prospectus as promptly as practicable after the occurrence of such an event, and each Holder hereby agrees to suspend use of the Prospectus until the Company has amended or supplemented the Prospectus to correct such misstatement or omission. At such time as such public disclosure is otherwise made or the Company determines that such disclosure is not necessary, in each case to correct any misstatement of a material fact or to include any omitted material fact, the Company agrees promptly to notify each Holder of such determination and to furnish each Holder such number of copies of the Prospectus, as amended or supplemented, as such Holder may reasonably request;

(l) obtain CUSIP and ISIN numbers for all Exchange Securities or Registrable Securities, as the case may be, not later than the effective date of a Registration Statement, and provide the Trustee with printed or word-processed certificates for the Exchange Securities or Registrable Securities, as the case may be, in a form eligible for deposit with the Depository;

(m) (i) cause the Indenture to be qualified under the TIA in connection with the registration of the Exchange Securities or Registrable Securities, as the case may be, (ii) cooperate with the Trustee and the Holders to effect such changes, if any, to the Indenture as may be required for the Indenture to be so qualified in accordance with the terms of the TIA and (iii) execute, and use its commercially reasonable efforts to cause the Trustee to execute, all documents as may be required to effect such changes, if any, and all other forms and documents required to be filed with the SEC to enable the Indenture to be so qualified in a timely manner;

(n) in the case of a Shelf Registration, upon request make available for inspection by representatives of the Holders of the Registrable Securities participating in any disposition pursuant to a Shelf Registration Statement and any one counsel or accountant retained by such Holders (with such inspection to occur at such time as mutually agreed between the Company and such Persons), all financial statements and other records, documents and properties of the Company reasonably requested by any such Persons, and cause the respective officers, directors,

employees, and any other agents of the Company to supply all information reasonably requested by any such Persons in connection with a Shelf Registration Statement; provided, that any such Persons shall be required to execute a customary confidentiality agreement;

(o) in the case of a Shelf Registration, a reasonable time prior to filing any Shelf Registration Statement, any Prospectus forming a part thereof, any amendment to such Shelf Registration Statement or amendment or supplement to such Prospectus, provide copies of such document to the Holders of Registrable Securities and to counsel for any such Holders, and make such changes in any such document prior to the filing thereof as the Holders of Registrable Securities, or any of their counsel may reasonably request, and cause the representatives of the Company to be available for discussion of such documents as shall be reasonably requested by the Holders of Registrable Securities and shall not at any time make any filing of any such document of which such Holders or their counsel shall not have previously been advised and furnished a copy or to which such Holders or their counsel shall reasonably object within a reasonable time period;

(p) in the case of a Shelf Registration, use its commercially reasonable efforts to cause all Registrable Securities to be listed on any securities exchange on which similar debt securities issued by the Company are then listed if requested by the Majority Holders;

(q) in the case of a Shelf Registration, use its commercially reasonable efforts to cause the Registrable Securities to be rated by the same rating agency that initially rated the Subordinated Notes, if so requested by the Majority Holders of Registrable Securities, unless the Registrable Securities are already so rated;

(r) otherwise use its commercially reasonable efforts to comply with all applicable rules and regulations of the SEC and, with respect to each Registration Statement and each post-effective amendment, if any, thereto and each filing by the Company of an Annual Report on Form 10-K, make available to its security holders, as soon as reasonably practicable, an earnings statement covering at least twelve months which shall satisfy the provisions of Section 11(a) of the 1933 Act and Rule 158 thereunder; and

(s) cooperate and assist in any filings required to be made with FINRA.

In the case of a Shelf Registration Statement, the Company may (as a condition to such Holder's participation in the Shelf Registration) require each Holder of Registrable Securities to furnish to the Company such information regarding such Holder and the proposed distribution by such Holder of such Registrable Securities as the Company may from time to time reasonably request in writing and require such Holder to agree in writing to be bound by all provisions of this Agreement applicable to such Holder.

In the case of a Shelf Registration Statement, each Holder agrees and, in the event that any Participating Broker-Dealer is using the Prospectus included in the Exchange Offer Registration Statement in connection with the sale of Exchange Securities pursuant to Section 3(f), each such Participating Broker-Dealer agrees that, upon receipt of any notice from the Company of the happening of any event or the discovery of any facts of the kind described in Section 3(e)(ii), 3(e)(iii) or 3(e)(v) through 3(e)(vii) hereof, such Holder or Participating Broker-Dealer, as the case may be, will forthwith discontinue disposition of Registrable Securities pursuant to a Registration Statement until receipt by such Holder or Participating Broker-Dealer, as the case may be, of (i) the copies of the supplemented or amended Prospectus contemplated by Section 3(k) hereof or (ii) written notice from the Company that the Shelf Registration Statement or the Exchange Offer Registration Statement, respectively, are once again effective or that no supplement or amendment is required. If so directed by the Company, such Holder or Participating Broker-Dealer, as the case may be, will deliver to the Company (at the Company's expense) all copies in its possession, other than permanent file copies then in its possession, of the Prospectus covering such Registrable Securities current at the time of receipt of such notice. Nothing in this paragraph shall prevent the accrual of Additional Interest on any Registrable Securities.

If the Company shall give any such notice to suspend the disposition of Registrable Securities pursuant to the immediately preceding paragraph, the Company shall be deemed to have used its commercially reasonable efforts to keep the Shelf Registration Statement or, in the case of Section 3(f), the Exchange Offer Registration Statement, as the case may be, effective during such period of suspension; *provided* that (i) such period of suspension shall not exceed the time periods provided in Section 2(d)(iii) hereof and (ii) the Company shall use its

commercially reasonable efforts to file and have declared effective (if an amendment) as soon as practicable thereafter an amendment or supplement to the Shelf Registration Statement or the Exchange Offer Registration Statement or both, as the case may be, or the Prospectus included therein and shall extend the period during which the Shelf Registration Statement or the Exchange Offer Registration Statement or both, as the case may be, shall be maintained effective pursuant to this Agreement (and, if applicable, the period during which Participating Broker-Dealers may use the Prospectus included in the Exchange Offer Registration Statement pursuant to Section 3(f) hereof) by the number of days during the period from and including the date of the giving of such notice to and including the earlier of the date when the Holders or Participating Broker-Dealers, respectively, shall have received copies of the supplemented or amended Prospectus necessary to resume such dispositions and the effective date of written notice from the Company to the Holders or Participating Broker-Dealers, respectively, that the Shelf Registration Statement or the Exchange Offer Registration Statement, respectively, are once again effective or that no supplement or amendment is required.

4. Indemnification and Contribution.

(a) The Company agrees to indemnify and hold harmless each Holder, each Participating Broker-Dealer and each Person, if any, who controls any Holder or Participating Broker-Dealer within the meaning of either Section 15 of the 1933 Act or Section 20 of the 1934 Act, as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement (or any amendment thereto) pursuant to which Exchange Securities or Registrable Securities were registered under the 1933 Act, including all documents incorporated therein by reference, or any omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading, or arising out of any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus or Prospectus (or any amendment or supplement thereto) or any omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission described in subparagraph (i) above; *provided* that any such settlement is effected with the written consent of the Company; and

(iii) against any and all expense whatsoever, as incurred (including, subject to Section 4(c) below, the fees and disbursements of counsel chosen by any indemnified party), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission described in subparagraph (i) above, to the extent that any such expense is not paid under subparagraph (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by any Holder or Participating Broker-Dealer with respect to such Holder, Participating Broker-Dealer, as the case may be, expressly for use in the Registration Statement (or any amendment thereto) or the Prospectus (or any amendment or supplement thereto).

(b) Each Holder, severally but not jointly, agrees to indemnify and hold harmless the Company, each director of the Company, each officer of the Company who signed the Registration Statement, each Participating Broker-Dealer and each other selling Holder and each Person, if any, who controls the Company, any Participating Broker-Dealer or any other selling Holder within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in Section 4(a) hereof, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Shelf Registration Statement (or any amendment thereto) or any Prospectus

included therein (or any amendment or supplement thereto) in reliance upon and in conformity with written information with respect to such Holder furnished to the Company by such Holder expressly for use in the Shelf Registration Statement (or any amendment thereto) or such Prospectus (or any amendment or supplement thereto); *provided, however*, that no such Holder shall be liable for any claims hereunder in excess of the amount of net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Shelf Registration Statement.

(c) Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure so to notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. Counsel to the respective indemnified parties shall be selected as follows: (i) counsel to the Company, its directors, each of its officers who signed the Registration Statement and all Persons, if any, who control the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall be selected by the Company; (ii) counsel to the Holders (other than Participating Broker-Dealers) and all Persons, if any, who control any Holders (other than any Participating Broker-Dealers) within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall be selected by the Holders who held or hold, as the case may be, a majority in aggregate principal amount of the Registrable Securities held by all such Holders; and (iii) counsel to the Participating Broker-Dealers and all Persons, if any, who control any such Participating Broker-Dealer within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall be selected by the Participating Broker-Dealers who held or hold, as the case may be, a majority in aggregate principal amount of the Exchange Securities referred to in Section 3(f) hereof held by all such Participating Broker-Dealers. In no event shall the indemnifying party or parties be liable for (A) the fees and expenses of more than one counsel (in addition to any local counsel) separate from the indemnifying parties' own counsel for the Company and all other Persons referred to in clause (i) of this paragraph, (B) the fees and expenses of more than one counsel (in addition to any local counsel) separate from the indemnifying parties' own counsel for all Holders (other than Participating Broker-Dealers) and all other Persons referred to in clause (ii) of this paragraph, and (C) the fees and expenses of more than one counsel (in addition to any local counsel) separate from the indemnifying parties' own counsel for all Participating Broker-Dealers and all other Persons referred to in clause (iv) of this paragraph, in each case in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. The indemnifying party shall be entitled to participate therein and, to the extent that it shall elect, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party, provided, however, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that a conflict may arise between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. After notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation unless (A) the indemnified party shall have employed separate counsel in accordance with the proviso to the preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel, approved by the indemnifying party) or (B) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party within a reasonable time after notice of commencement of the action, in each of which cases the fees and expenses of counsel shall be at the expense of the indemnifying party. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 4 (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 4 is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, in such proportion as is appropriate to reflect the relative fault of the indemnifying party or parties on the one hand and of the indemnified party or parties on the other hand in connection with the statements or omissions that resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations. The relative fault of such indemnifying party or parties on the one hand and the indemnified party or parties on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such indemnifying party or parties or such indemnified party or parties, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company and the Holders agree that it would not be just or equitable if contribution pursuant to this Section 4 were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 4 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section 4, other than in the case of intentional misrepresentation or omission of a material fact, no Holder or Participating Broker-Dealer shall be required to contribute any amount in excess of the amount by which the total price at which Registrable Securities sold by it were offered exceeds the amount of any damages that such Holder or Participating Broker-Dealer has otherwise been required to pay by reason of any such untrue or alleged untrue statement or omission or alleged omission.

No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 4, each Person, if any, who controls a Holder or Participating Broker-Dealer within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as such Holder or Participating Broker-Dealer, as the case may be, and each director of the Company, each officer of the Company who signed the Registration Statement and each Person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as the Company.

The respective obligations of the Holders and Participating Broker-Dealers to contribute pursuant to this Section 4 are several in proportion to the principal amount of Subordinated Notes purchased by them and not joint.

The indemnity and contribution provisions contained in this Section 4 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any Holder or Participating Broker-Dealer or any Person controlling any Holder or Participating Broker-Dealer, or by or on behalf of the Company, its officers or directors or any Person controlling the Company, (iii) acceptance of any of the Exchange Securities and (iv) any sale of Registrable Securities or Exchange Securities pursuant to a Shelf Registration Statement.

5. Miscellaneous.

(a) Rule 144 and Rule 144A. For so long as the Company is subject to the reporting requirements of Section 13 or 15 of the 1934 Act, the Company covenants that it will file all reports required to be filed by it under Section 13(a) or 15(d) of the 1934 Act and the rules and regulations adopted by the SEC thereunder, that if it ceases to be so required to file such reports, it will upon the request of any Holder or beneficial owner of Registrable Securities (i) make publicly available such information (including, without limitation, the information specified in Rule 144(c)(2) under the 1933 Act) as is necessary to permit sales pursuant to Rule 144 under the 1933 Act, (ii)

deliver or cause to be delivered, promptly following a request by any Holder or beneficial owner of Registrable Securities or any prospective purchaser or transferee designated by such Holder or beneficial owner, such information (including, without limitation, the information specified in Rule 144A(d)(4) under the 1933 Act) as is necessary to permit sales pursuant to Rule 144A under the 1933 Act, and (iii) take such further action that is reasonable in the circumstances, in each case to the extent required from time to time to enable such Holder to sell its Registrable Securities without registration under the 1933 Act within the limitation of the exemptions provided by (x) Rule 144 under the 1933 Act, as such Rule may be amended from time to time, (y) Rule 144A under the 1933 Act, as such Rule may be amended from time to time, or (z) any similar rules or regulations hereafter adopted by the SEC. Upon the request of any Holder or beneficial owner of Registrable Securities, the Company will deliver to such Holder a written statement as to whether it has complied with such requirements.

(b) No Inconsistent Agreements. The Company has not entered into nor will the Company on or after the date of this Agreement enter into any agreement which is inconsistent with the rights granted to the Holders of Registrable Securities in this Agreement or otherwise conflicts with the provisions hereof; *provided* that the Company will not be precluded from entering into any agreement after the date hereof which may or does result, directly or indirectly, in the payment of Additional Interest. The rights granted to the Holders hereunder do not and will not in any way conflict in any material respects with and are not and will not be inconsistent in any material respects with the rights granted to the holders of any of the Company's other issued and outstanding securities under any other agreements entered into by the Company or any of its subsidiaries.

(c) Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, unless the Company has obtained the written consent of Holders of at least a majority in aggregate principal amount of the outstanding Registrable Securities affected by such amendment, modification, supplement, waiver or departure.

(d) Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, registered first-class mail, electronic mail, or any courier guaranteeing overnight delivery (i) if to a Holder or Participating Broker-Dealer at the most current address set forth on the records of the registrar under the Indenture, and (ii) if to the Company, initially at the address set forth in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 5(d).

All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; five business days after being deposited in the mail, postage prepaid, if mailed; when receipt is acknowledged, if sent via electronic mail; and on the next business day if timely delivered to an air courier guaranteeing overnight delivery.

Copies of all such notices, demands or other communications shall be concurrently delivered by the Person giving the same to the Trustee, at the address specified in the Indenture.

(e) Successors and Assigns. This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation and without the need for an express assignment, subsequent Holders; *provided* that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms hereof or of the Purchase Agreement or the Indenture. If any transferee of any Holder shall acquire Registrable Securities, in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all of the terms of this Agreement, and by taking and holding such Registrable Securities, such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement, including the restrictions on resale set forth in this Agreement and, if applicable, the Purchase Agreement, and such Person shall be entitled to receive the benefits hereof.

(f) Third Party Beneficiary. Each Holder and Participating Broker-Dealer shall be a third party beneficiary of the agreements made hereunder and shall have the right to enforce such agreements directly to the extent it deems such enforcement necessary or advisable to protect its rights or the rights of other Holders hereunder. Each Holder, by its acquisition of Subordinated Notes, shall be deemed to have agreed to the provisions of Section 5(b) hereof.

(g) Counterparts. This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(h) Headings. The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

(i) Restriction on Resales. If the Company or any of its subsidiaries or affiliates (as defined in Rule 144 under the 1933 Act) shall redeem, purchase or otherwise acquire any Registrable Security or any Exchange Security which is a “restricted security” within the meaning of Rule 144 under the 1933 Act, the Company will deliver or cause to be delivered such Registrable Security or Exchange Security, as the case may be, to the Trustee for cancellation and neither the Company nor any of its subsidiaries or affiliates will hold or resell such Registrable Security or Exchange Security or issue any new Security or Exchange Security to replace the same.

(j) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

(k) Entire Agreement; Severability. This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements and prior writings with respect hereto. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions contained herein shall not be affected or impaired thereby.

RBB Bancorp Completes Private Placement of \$55 Million of Subordinated Notes

Los Angeles, CA — November 29, 2018 — RBB Bancorp (the “Company”), Los Angeles, California (NASDAQ: RBB), the holding company for Royal Business Bank (the “Bank”) today announced the completion of its private placement of \$55 million in fixed-to-floating rate subordinated notes due 2028 (the “Notes”). The Notes bear a fixed rate of 6.18% for the first five years and will reset quarterly thereafter to the then-current three-month LIBOR rate plus 315 basis points. The Notes were assigned an investment grade rating of BBB by the Kroll Bond Rating Agency, Inc.

The Company intends to use the net proceeds from the offering, which are anticipated to be approximately \$53.4 million after deducting estimated expenses, for general corporate purposes, including providing capital to the Bank and maintaining adequate liquidity at the Company. The Notes are intended to qualify as Tier 2 capital for the Company for regulatory purposes and the portion that the Company contributes to the Bank are intended to qualify as Tier 1 capital for the Bank. In connection with the sale and issuance of the Notes, the Company entered into a Registration Rights Agreement (the “Registration Rights Agreement”) with the purchasers of the Notes pursuant to which the Company has agreed to take certain actions to provide for the exchange of the Notes for subordinated notes that are registered under the Securities Act of 1933, as amended, and have substantially the same terms as the Notes.
