RBB Bancorp Completes Acquisition of Chicago-based Pacific Global Bank

Los Angeles, CA, January 13, 2020 -RBB Bancorp (NASDAQ: RBB) and its subsidiaries, Royal Business Bank and RBB Asset Management Company (collectively referred to herein as "RBB" or the "Company"), announced today that it has completed its acquisition of PGB Holdings, Inc. and its wholly-owned subsidiary Pacific Global Bank based in Chicago, IL (collectively referred to herein as "Pacific Global Bank" or "PGB"). Principally serving the Chinese-American communities in Chicago, Pacific Global Bank has three branches located in the Chicago neighborhoods of Chinatown and Bridgeport, offering consumer and business banking and loan products and services. As part of the transaction, Pacific Global Bank has been merged into Royal Business Bank. The transaction brings RBB's total assets to over \$3.0 billion, based on information as of September 30, 2019.

Alan Thian, CEO and Chairman of the Board of RBB, commented, "We are very pleased to welcome PGB's customers and employees to RBB Bancorp. We plan to operate our Chicago branches as Pacific Global Bank, A Division of Royal Business Bank, until the system conversion near the end of March at which time we will operate the branches as Royal Business Bank. Following the system conversion in March, we plan to supplement the lending product offering by PGB with our mortgage, SBA 7A, small C&I and construction lending products. We believe this expanded suite of product offerings will provide a superior banking experience for our customers, as well as allowing us to win a greater share of their banking business."

Mr. Thian added, "We are excited to be entering the Chicago market and intend to open two new branches in metro Chicago in the next two years. Pacific Global is an excellent cultural fit with RBB, as we have complementary business models, strong residential mortgage loan production platforms, and a focus on the Chinese-American market. We now have a strong presence in the largest Asian-American markets in three of the top major metro areas in the country, positioning RBB to continue our robust growth. Since we went public in 2017, we have more than doubled the size of RBB and built a strong business model centered around core community banking that we believe will produce attractive long-term returns for our shareholders."

Pursuant to the terms of the transaction, the Company acquired PGB in a cash transaction valued at approximately \$32.9 million or \$69.49 per share of PGB stock. PGB owns two of its three branches with an estimated fair market value of approximately \$2 million in excess of book value. RBB expects the transaction to be accretive to earnings per share in 2020 in the high single digit range. RBB also expects a payback period of approximately 3.3 years. The earnings per share accretion estimates do not include any assumption of revenue synergies.

The Findley Group served as financial advisor to RBB and Loren P. Hansen, APC is acting as RBB's legal counsel. Janney Montgomery Scott LLC served as financial advisor to PGB and Barack Ferrazzano Kirschbaum & Nagelberg LLP is acting as PGB's legal counsel.
